JUDGMENT

The grounds on which the election of Shri Gulzari Lal Nanda respondent No. 1 (the official Congress candidate) to the Lok Sabha from No. 3, Kaithal Parliamentary Constituency in the general elections to the Parliament held in March, 1971, has been questioned by Chaudhry Inder Singh petitioner (the official candidate of the Nijalingappa group

of the Congress) become apparent from the following issues which were framed by me from the pleadings of the parties on August 16, 1971 :—

"1. Was the nomination paper of respondent No. 1 wrongly or illegally accepted by the Returning Officer?

2. If issue No. 1 is proved, has the wrongful or illegal acceptance of the nomination paper of respondent No. 1 not materially affected the result of the election? (Onus objected to by Chaudhry Bakhtawar Singh. Objection overruled).

3. Whether respondent committed the corrupt practice of hiring or procuring with his consent on March 4, 1971, under-mentioned vehicles on payment of Rs. 125/- per truck for the free conveyance of voters to the Polling Stations in Kaithal, Pehowa and Sherhada Assembly Constituencies on March 5, 1971, that is, on the date of polling:—

If the preceding issue is proved, did Albel Singh Nain above-mentioned write the disputed chit [referred to in paragraph 6(B)(vii) of the amended petition] to respondent No. 1 on March 5, 1971, while at Dhanoda Polling Station? If so, was the chit in question delivered to respondent No. 1 at Narwana?

15. Relief."

"At the time of framing the issues an objection was taken on behalf of the returned candidate to the framing of issue No. 3 relating to the alleged commission of the corrupt practice defined in section 123(5) of the Representation of the People Act, 1951 (hereinafter called the Act), on the ground that the allegation of the vehicles in question having been hired or procured "for free conveyance of the electors" has not been specifically made in respect of each of the items enumerated in clauses (i) to (v) and (vii) of sub-paragraph (b) of paragraph 6 of the petition, though the said allegation had been specifically made in the opening part of sub-paragraph (b) of paragraph 6 wherein each of the alleged acts of hiring or procuring vehicles had been enumerated. That objection was overruled by my order, dated August 16, 1971, and consequently issue No. 3 was also framed.

The respondent went up in appeal under Article 136 of the Constitution to their Lordships of the Supreme Court against my above said order. While granting special leave on September 17, 1971, their Lordships directed stay of trial of issue No. 3. Evidence of the parties on other issues was concluded before me on November 4, 1971. Counsel for the parties submitted at that stage that arguments on the other issues may not be heard till the disposal of the appeal in the Supreme Court as in the event of the appeal being dismissed by their Lordships any evidence led on issue No. 3 (regarding hiring or procuring of vehicles) might have its impact on the decision of issue No. 9 (regarding the incurring of expenditure in excess of that allowed by section 77 of the Act). I acceded to the joint request of the parties

and adjourned this petition *sine die* to await the decision of the Supreme Court.

On the receipt of information about the dismissal of the respondent's appeal, parties were directed to appear before me on May 12, 1972, for further proceedings. On that day, learned counsel for the petitioner submitted that he did not want to press the pleas which had given rise to issue No. 3, and that his client was giving up all the allegations of corrupt practice against the respondent which had led to the framing of that particular issue. Since counsel were not ready to argue the case, it was adjourned at their joint request to July 17, 1972. At the time of opening his arguments on that day, petitioner made a statement before me to the effect that he does not press the pleas which had given rise to issue No. 9, and no evidence having been given by him on issue No. 3, both those issues (issues Nos. 3 and 9) may be decided in favour of the respondent.

The evidence led by the parties will be dealt with by me in the course of the discussion of the particular issue to which it relates. I will now take up the issues one by one. Issue No. 1.

This issue has arisen out of the petitioner's following plea contained in paragraph 6(A) of the petition:—

"That respondent No. 1 produced a certified copy from the electoral rolls of the New Delhi Parliamentary Constituency along with his nomination papers, according to which he was entered as a voter at serial No. 853 in the amended electoral roll, Part No. 106 of the said Constituency. The petitioner at the time of the scrutiny contended that respondent No. 1 was not the voter at that serial number and instead one Naryan son of Mange Ram was the voter entered at that number. The petitioner in support of his contention also produced a certified copy supplied to him on February 6, 1971, of the New Delhi Parliamentary Constituency. The certified copy produced by respondent No. 1 was of the date 13th of January, 1971. The Returning Officer wrongly and illegally accepted the nomination papers of respondent No. 1. As is evident from the above-said facts, respondent No. 1 was not registered as a voter in the New Delhi Parliamentary Constituency at serial No. 853, "which he claimed to be. Respondent No. 1 therefore, was not eligible to contest as candidate the Parliamentary Seat of the Kaithal Constituency. This wrongful acceptance of the nomination papers of respondent No. 1 has materially affected the result of the election, which is clear and obvious from the fact that he has been declared elected."

Reply of the contesting respondent to the above-mentioned allegations has been couched in the following language in the corresponding paragraph of his written statement:—

"In reply to sub-paragraph (A), it is submitted that the answering respondent produced certified copy of the electoral rolls of New Delhi Parliamentary Constituency along with the nomination paper. It was a copy from the supplementary electoral roll published for the said Constituency. The answering respondent was entered in the supplementary electoral roll at serial No. 853.

It is incorrect that the answering respondent on 4th February, 1971, when he filed his nomination paper was not entered as a voter at serial No. 853.

The fact of the matter as later disclosed from the order of the Electoral Registration Officer, New Delhi, Parliamentary Constituency, dated February 7, 1971, is that the basic roll of this constituency contained 696 voters. Thereafter correction was made on an application of a voter who was allotted serial No. 697 in the first supplementary list. Thereafter special revision took place in pursuance of the orders of Election Commission and voters were allotted serial Nos. 698 to 900 and second supplementary list was accordingly printed.

Manuscript were prepared in the Election Office and after consolidation, sent to the press. A register is maintained in the office wherein only serial numbers were noted.

The register should have contained serial Nos. 698 to 900. As it so happened a different clerk prepared manuscript up to serial No. 852 and noted in the register, another Assistant who prepared manuscripts for voters Nos. 853 to 900, tagged it separately on to the first manuscripts and in the register no entry was made. Another two voters instead of being allotted serial Nos. 901 onwards were allotted 853 onwards due to absence of entry in the register of serial Nos. 853 to 900. In this manner duplication of serial numbers was caused.

It may further be added that in view of the situation explained above, serial number given by the answering respondent in the nomination paper was correct. Nevertheless the answering respondent cannot be made to suffer on account of the acts of omission or commission on the part of the ministerial staff in the office of the Electoral Registration Officer, nor their sins can be visited upon the answering respondent. The respondent was registered voter in the New Delhi Parliamentary Constituency at serial No. 853. He was eligible to contest elections and there had been no wrong acceptance of his nomination paper nor the same has materially affected the result of the elections in any manner whatsoever." (Underlining by me to later deal with an argument of the petitioner).

The crucial allegation on which the plea of wrongful and illegal acceptance of the nomination paper of the respondent is based is that "respondent No. 1 was not registered as a voter in the New Delhi Parliamentary Constituency at serial No. 853 which he claimed to be", and, therefore, he was not eligible to contest the election. The relevant facts which have been proved in this case from the official documents before me may first be set out in a chronological order. The electoral roll 1966, of the New Delhi Parliamentary Constituency, Part 112, the name of Shri Gulzari Lal Nanda (hereinafter referred to as Nanda Ji) is entered at serial No. 884 as a resident of Hastings Road. It is not disputed that before the preparation of 1970 rolls, Nanda Ji had shifted to 5, Tughlaq Road, which was his official residence as the Central Railway Minister. Tughlaq Road was covered by Part 106 of the Basic Electoral Roll, 1970, of the New Delhi Parliamentary Constituency. I have marked the said basic roll for purposes of identification as P.W. 1/1. It contains the names of 696 electors carrying serial Nos. 1 to 696. On the application of a voter (Mr. G. Parihar) of 31, Aurangzeb Road, the basic roll was corrected and his name was added at serial No. 697. The relevant list amendments issued in that regard has been marked by me as P.W. 1/2 for the purpose of identification. Special revision of the basic electoral roll thereafter took place under orders of the Election Commission under section 21 of the Representation of the People Act, 1950 (hereinafter called the 1950 Act). As a result of the said special revision, names of 203 more electors were added to basic list under serial Nos. 698 to 900. A copy of the list of amendments (also containing certain corrections and deletions with which we are not concerned) has been produced before me by P.W. 1, and has been marked by me as P.W. 1/3 for fixing its identity.

When the electoral roll was in the above-mentioned position, Nanda Ji on December 26, 1970, sent his "statement as to place of ordinary residence by a person holding a declared office" under section 20 of the 1950 Act read with rule 7 of the Registration of Electors Rules, 1960 (hereinafter called the Registration Rules) in prescribed form No. 1. He stated therein that but for his holding the declared office of the Minister for Railways, he would have been ordinarily resident at "5, Tughlaq Road, New Delhi-11". He included the name of his wife in the prescribed form of declaration. The original statement is Exhibit R.W. 8/2. Some official who has described himself as "E.R.O." has written the word "accepted" under his initials dated January 7, 1971, on Exhibit R.W.8/2. This endorsement and the signature of the E.R.O. have not been formally proved before me. Because that as it may, the fact remains that a list of amendments (copy marked P.W. 1/4) prepared under section 21(3) of the 1950 Act was issued wherein the names of Nanda Ji and his wife were entered as electors residing at 5, Tughlaq Road under serial Nos. 853 and 854. Still another list of amendments (copy P.W. 1/5) was thereafter issued wherein the names of ten more electors of Tughlaq Road were added to the basic roll in question. Those ten electors were assigned serial Nos. 855 to 864.

From the facts stated above, it is apparent that a (P. 12) discrepancy had occurred in the office of the Electoral Registration Officer for the New Delhi Parliamentary Constituency in regard to the assignment of serial numbers to the names of electors which had been added to the basic electoral roll of that Constituency by corrections and amendments, inasmuch as a duplicate set of serial Nos. 853 to 864 had been assigned. Whereas one set of persons had been assigned serial Nos. 853 to 864 (included in 698 to 900) in the list of additions marked P.W. 1/3, another and a different set of electors had been assigned the same numbers (853 to 864) vide lists of additions marked P.W. 1/4 and P.W. 1/5. The electoral roll was in this state when Nanda Ji applied for a copy of the entry relating to him in the electoral roll in question as he was required by section 33(5) of the Act to file the same with his nomination paper. Exhibit P. 2 is the certified copy which was prepared on January 13, 1971, and given to Nanda Ji and produced by him with his nomination paper Exhibit R.W. 8/1 filed by him on February 6, 1971. Exhibit P. 2 headed "electoral roll of Delhi for election of members of the Lok Sabha (year 1970, New Delhi Parliamentary Constituency Supplementary List Part 106)." The certified copy shows the name of Nanda Ji as resident of 5, Tughlaq Road, at serial No. 853. This is consistent with the list of additions marked P.W. 1/4 wherein serial No. 853 had been assigned to Nanda Ji. On that very day, that is on February 6, 1971, Chaudhry Inder Singh petitioner made an application for a certified copy. That application has not been produced before me, and I am, therefore, unable to find out the particular entry of which he asked for a copy. Certified copy Exhibit P. 3 was prepared on February, 1971, and given to the petitioner. That copy shows the name of one Naryan son of Mange Ram (male), aged 25 years, of 5, Tughlaq Road, registered as elector at serial No. 853. This certified copy appears to relate to the entry extracted from the list of additions marked P.W. 1/3. It appears that while preparing this copy, the office of the Electoral Registration Officer detected the discrepancy referred to above. An office note, dated February 6, 1971, was thereupon put up to the Electoral Registration Officer for the New Delhi Parliamentary Constituency. It is stated therein that while preparing the working copies of the electoral roll, it had been noticed that certain voters of part No. 106 of New Delhi Parliamentary Constituency had been wrongly numbered. Reference is then made as to how the error had crept in. It is unnecessary to give details of the office-note as the facts relevant in this respect have been incorporated with requisite clarity in the order of Shri G. K. Dixit, Electoral Registration Officer of the constituency in question, dated February 7, 1971. The original order is Exhibit P. 5. That order reads as below.—

"Upon receipt of a report from the Election Office (enclosed) a clerical error has been detected by me in part 106 of New Delhi Parliamentary Constituency."

The basic roll of this constituency mentioned voters up to S. No. 696. Thereafter a correction was made upon the application of a voter and he was allotted serial No. 697 in the first supplementary list. Thereafter special revision took place upon the orders of the Election Commission. As a result voters were added from serial Nos. 698 to 900. A second supplementary list was accordingly printed.

Now the system of getting the supplementary list printed needs detailed mention. Manuscripts are prepared in the Election Office and then they are consolidated and sent to the press. When these manuscripts are sent a register is maintained in which the only thing noted is the serial numbers for which the manuscripts were being sent to the press. As mentioned earlier in this register we should have found mentioned that manuscripts for serial Nos. 698 to 900 were being despatched to the press. It so happened that a different clerk prepared manuscript up to serial No. 852, and noted it in the register. Thus in fact, he noted that the manuscript for serial numbers 698 to 852 was being sent. Actually another assistant had prepared further manuscript for Nos. 853 to 900. This manuscript was attached to the first manuscript by a tag, but the register

continued with the last serial number as 852. The omission was clerical but the result produced another mistake in the circumstances mentioned in the following paragraph.

An application was made before me by two voters for further amendment of the voters list. I allowed this application and consequently a manuscript was prepared for these two voters. They should have been allotted serial Nos. 901 to 902. However, the register which I have mentioned indicated that the manuscript sent to the Press contained the last serial number as 852. Therefore, the two voters mentioned in this paragraph were by mistake given serial Nos. 853 and 854 instead of 901 and 902.

The mistake continued further. I allowed further corrections and the new voters instead of having been allotted serial Nos. 903 onwards were allotted serial Nos. 855 onwards. All these numbers will need correction. Corrigendum to the supplementary lists should be published and incorporated."

The above-quoted order discloses the circumstances in which the error leading to the discrepancy in the assignment of serial Nos. 853 to 864 had crept in the electoral roll in question. In pursuance of order Exhibit P. 5, corrigenda to the electoral roll (marked P.W. 1/6 for identification) were issued which read as follows:—

"Read serial numbers from 853 to 854 and 855 to 864 of third and fourth supplementaries respectively as 901 to 902 and 903 to 912."

The result of the corrigenda was that the set of persons who had originally been assigned serial Nos. 853 to 864 (in the list of additions marked P.W. 1/3) retained their serial numbers, but the two sets of persons who had erroneously been given the same numbers again in the list of additions marked P.W. 1/4 and P.W. 1/5 were not assigned serial Nos. 901 to 912.

It is in the above-mentioned circumstances that at the time of the scrutiny of the nomination paper of Nanda Ji on February 9, 1971, at Kaithal, the petitioner raised an objection that Nanda Ji had not been entered as a voter in the relevant electoral roll, and as such Nanda Ji's nomination paper should be rejected under section 33(5) of the Act. In support of that contention, the petitioner produced before the Returning Officer the certified copy Exhibit P. 3 showing Narayan's name as voter at serial No. 853. The petitioner wanted the nomination paper of Nanda Ji being rejected on the above-mentioned ground. By his order, dated February 9, 1971 (Exhibit P. 1), the Returning Officer overruled the objection of the petitioner and accepted the nomination paper of Nanda Ji. The Returning Officer found that the two copies before him (Exhibits P. 2 and P. 3) were not of the same document. He held that whereas the copy Exhibit P. 2 produced by Nanda Ji was of the supplementary list, the copy Exhibit P. 3 produced by the petitioner had been taken from the new additions made to the roll, and, therefore, held that the certified copy related to different rolls, and it was irrelevant as to which of the certified copies had been prepared earlier or later. He further held that the copy Exhibit P. 3 did not rebut the presumption which arose about the genuineness of the entry in the electoral roll of which Exhibit P. 2 was a copy. He observed that the Exhibit P. 2, being a copy certified under the rules, furnished clear proof of the fact that the name of Nanda Ji was entered in the electoral roll (supplementary list) of the New Delhi Parliamentary Constituency. The Returning Officer, therefore, held that the only discrepancy was with regard to the serial numbers of the electors, which was a clerical mistake and could be ignored. Consequently, he rejected the objection of the petitioner and accepted the nomination paper of respondent No. 1 under sub-section (1) of section 33 of the Act. The validity and legality of the above-mentioned order of the Returning Officer has been impugned by the petitioner and the acceptance of the nomination paper of Nanda Ji has been described to be wrongful on the solitary ground that "respondent No. 1 was not registered as a voter in the New Delhi Parliamentary Constituency at serial No. 853, which he claimed to be." The facts already referred to by me clearly show that the name of Nanda Ji was entered as an elector in the roll in

question on January 13, 1971 (when the certified copy Exhibit P. 2 was issued) at serial No. 853, though the same serial number had already been assigned to another elector (Narayan) also. If it were to be found as a fact that the name of Nanda Ji was not entered in the relevant electoral roll at all at the time when he submitted his nomination paper, the petitioner could have succeeded. If, however, it is found, as seems to be the situation in the case in hand, that his name was duly entered in the appropriate electoral roll at the relevant time, but he should have been assigned number 901 instead of being assigned number 853, and such an error had crept into the roll for no fault of Nanda Ji, it appears to me to be impossible to accept the contention of the petitioner, and to hold that Nanda Ji's nomination paper was wrongfully accepted.

The first argument of Mr. S. P. Goyal is that the printed copy of the basic roll and the printed copies of the subsequent additions and corrigenda should not be taken into account by me at all as these have merely been produced by P.W. 1, but not formally proved either by the author of the relevant entries in the roll, or by the authorities which ordered the making of those entries. Mr. Goyal's second submission in this regard is that declaration Exhibit R.W. 8/2 signed and submitted by Nanda Ji to the electoral office was unauthorised and contrary to the rules, and his name could not be included in the electoral roll on the basis of that declaration. His third submission relevant to this issue is that the official copies of additions and corrigenda produced before me have been forged by the electoral office after the date of scrutiny, in order to help Nanda Ji out of a difficult situation as Nanda Ji is a prominent and leading member of the Ruling Congress Party. The petitioner had summoned "the Clerk concerned of the office of the Chief Electoral Officer" Delhi, to appear in Court with the (i) original form No. 1 submitted by Nanda Ji (Exhibit R.W. 8/1) together with the order passed on the same on January 7, 1971; (ii) the final copy of the published electoral roll; (iii) claim applications for inclusion of names in the roll, etc. including the manuscript of the electoral roll in question from serial numbers 697 to 900. According to the petitioner's list of witnesses, the Clerk concerned had been summoned "to prove that the nomination papers of Shri Gulzari Lal Nanda were improperly accepted." On the first first date fixed for the appearance of the Clerk of the office of the Chief Electoral Officer, P.W. 1 Jagmohan Saran Verma appeared before me and produced a letter from the Chief Electoral Officer, Delhi, wherein it was stated, inter alia, that as many as 15,896 claim applications had been made which were lying in gunny bags, but the other documents would be produced by the Chief Electoral Officer who had been summoned for October 5, 1971, to appear as a witness on behalf of Nanda Ji. Mr. Goyal stated before me on that day (September 20, 1971) that the order of which he wanted the witness to produce a copy was, dated February 7, 1971, and not January 7, 1971, and that the date January 7, 1971, had been erroneously mentioned in the application. In fact it appears that the date of the order passed on the declaration of Nanda Ji in form No. 1 had been correctly given by the petitioner in his list of witnesses as January 7, 1971, and that the petitioner subsequently changed his mind and wanted the production of order, dated February 7, 1971, to which reference had been made in the list of Nanda Ji's witnesses. In pursuance of the direction given by me to P.W. 1, he reappeared on September 22, 1971. On that day, however, counsel for the petitioner declined to examine him on oath and wanted him to merely produce the documents brought by him. He, therefore, produced the original order of the Electoral Registration Officer Exhibit P. 5, the final copy of the electoral roll, the manuscript copy of the relevant electoral roll from serial No. 698 to 900 and form 1 of Nanda Ji, dated December 26, 1970, Exhibit R.W. 8/2 (on which the order of the Electoral Registration Officer, dated January 7, 1971, is endorsed in manuscript), but did not produce the application of Narayan, voter No. 853, as he stated that no written application of Narayan had been received in the Electoral Office.

Mr. H. V. Goswami, I.A.S., Deputy Commissioner, Karnal, who was the Returning Officer, appeared as R.W. 3. He stated that he scrutinised the nomination papers of the candidates of the Constituency in question on February 9, 1971, from about 11 A.M. till about 2 P.M. He proved the endorsement Exhibit P. 3/A made in his handwriting on the certified copy Exhibit P. 3 produced before me by

the petitioner. He also proved the order Exhibit P. 1 which had been passed by him. He denied the allegation that everybody had left his room after the scrutiny except the counsel for Nanda Ji. He stated that the petitioner's as well as respondent's counsel stayed on in his room after others had left, as they had applied for copies of the order passed by him which was typed and copies thereof issued at about 4.30 P.M. He denied the allegation that he and Nanda Ji's counsel were alone in his Chamber after the scrutiny from where a telephone call was booked to Nanda Ji and another was booked to the Election Commission, and that it was only after receiving instructions from both those sources that the order Exhibit P. 1 was written by him. The allegations and insinuations made against the Returning Officer during the course of his cross-examination by the counsel for the petitioner were not even adverted to by Mr. Goyal during the course of his arguments on issue No. 1.

Part III of the 1950 Act deals with the preparation of electoral rolls for Assembly Constituencies. It contains sections 14 to 25. Section 17 states that no person shall be entitled to be registered in the electoral roll for more than one constituency. Section 18 prohibits the registration of any person more than once in any constituency. Under section 19 only such a person is entitled to be enrolled as an elector in a particular constituency who is ordinarily resident therein. Section 20 defines the expression "ordinarily resident." Sub-sections (4) to (6) of section 20 read as follows:—

- "(4) Any person holding any office in India declared by the President in consultation with the Election Commission to be an office to which the provisions of this sub-section apply, shall be deemed to be ordinarily resident on any date in the constituency in which, but for the holding of any such office, he would have been ordinarily resident on that date.
- (5) The statement of any such person as is referred to in sub-section (3) or sub-section (4) made in the prescribed form and verified in the prescribed manner, that but for his having the service qualification, or but for his holding any such office as is referred to in sub-section (4), he would have been ordinarily resident in a specified place on any date, shall, in the absence of evidence to the contrary, be accepted as correct.
- (6) The wife of any such person as is referred to in sub-section (3) or sub-section (4) shall, if she be ordinarily residing with such person be deemed to be ordinarily resident, in the constituency specified by such person under sub-section (5)."

Sub-section (1) of section 21 states that the electoral roll for each constituency shall be prepared in the prescribed manner by reference to the qualifying date. Part II of the Registration Rules (containing rules 3 to 28) prescribed that procedure. Sub-section (2) of section 21 requires the electoral roll to be revised in the prescribed manner before each general election to the House of the People. Sub-section (3) of section 21 authorises the Election Commission to direct a special revision of the electoral roll for any constituency, or part of a constituency. Section 22 refers to the manner in which entries in an electoral roll may be corrected on an application made to the Electoral Registration Officer, or on his own motion, if there is any error in any particular, or for any of the other reasons given in that section. Section 23 deals with inclusion of names in the electoral rolls by the Electoral Registration Officer on an application made to him for the purpose. Sections 24 and 25 deal with appeals and fees for applications and appeals.

Rule 5 of the Registration Rules requires the electoral roll to be divided into convenient parts which have to be numbered consecutively. Sub-rule (3) of rule 5 reads as below:—

"The names of any person holding a declared office and of his wife, if any, who are entitled to be included in the roll by virtue of a statement made under rule 7 shall be included in the part of the roll pertaining to the locality in which they would, according to that statement, have been ordinarily resident."

Rule 7 states:—

- (1) Every person who holds a declared office or has a service qualification and desires to be registered in the roll for the constituency in which, but for holding such office or having such qualification, he would have been ordinarily resident, shall submit to the registration officer of the constituency, a statement in such one of the Forms 1, 2, 2A and 3, as may be appropriate.
- (2) Every statement submitted under sub-rule (1) shall be verified in the manner specified in the Form.
- (3) Every such statement shall cease to be valid when the person making it ceases to hold a declared office or, as the case may be, have a service qualification."

Rule 10 provides that the Registration Officer shall publish a draft electoral roll which would be available for inspection. Under rule 11 publicity has to be given to the draft roll. Rules 12 to 14 provide for lodging of claims and objections. Rules 17 to 20 deal with the disposal of objections and claims. Rule 21 authorizes the Registration Officer to prepare a list of the names and other details of such electors whose names have been left out of the roll due to inadvertence or error during the preparation of the roll and in respect of which the Registration Officer considers the taking of remedial action to be desirable. Sub-rule (2) of rule 21 provides that if any statements under rule 7 are received after the publication of the roll in draft under rule 10, the Registration Officer shall direct the inclusion of the names of the electors covered by the statements in the appropriate parts of the roll. The publication of the final roll is provided for in rule 22. Rule 23 deals with appeals from orders deciding claims and objections.

The above-quoted provisions show that an elaborate machinery has been provided by the 1950 Act and the Registration Rules for the preparation of electoral rolls which are required to conform to the actual state of affairs. A statutory duty is cast on the officers named in the 1950 Act and the Registration Rules to prepare the rolls in the prescribed manner and to order and carry out additions, corrections, deletions therein. This leaves no doubt in my mind that an electoral roll including corrections, additions and deletions made therein under orders of competent authorities is a public record prepared and maintained by Government functionaries in exercise of statutory duties enjoined on them. Once it is held that the electoral roll is a public record, section 35 of the Evidence Act makes each entry in that record itself a relevant fact in any litigation in which any question relating to any part of any such entry calls for a decision. The relevant part of section 35 (extracted from the section) reads as follows:—

"Any entry in any public record stating a fact in issue and made by a public servant or by any other person in performance of a duty specially enjoined by the law of the country in which the record is kept, is itself a relevant fact."

Mr. Goyal did not for a moment deny that the relevant entries in the electoral roll are relevant facts, but contended that these entries have to be proved like any other relevant fact. Section 81 of the Evidence Act appears to me to make the adoption of such a course to be wholly unnecessary. Once again I have extracted the following relevant portion out of section 81:—

"The Court shall presume the genuineness of every document purporting to be a document directed by any law to be kept by any person, if such document is kept substantially in the form required by law and is produced from proper custody."

The basic electoral roll and its amendments and corrigenda which have been produced by P.W. 1 before me are documents directed by the 1950 Act and the Registration Rules to be kept by the relevant Electoral Registration Officer. These documents have been kept in the prescribed form. These have been produced by P.W. 1 from proper custody under the authority of the Chief Electoral Officer. I am, therefore, required by section 81 of the Evidence Act to presume the genuineness of these documents. Section 4 of the Evidence Act provides that whenever it is directed by any provision of the Evidence Act that the Court shall presume

a fact, it shall regard such fact as proved, unless and until it is disproved. Section 81 states that the Court shall presume "the genuineness of every such document." The burden of rebutting that presumption has been placed by section 4 on the person who doubts it. No such evidence has been produced by the petitioner. I must, therefore, presume that the final electoral roll in question including the basic electoral roll and the amendments made therein and the corrigenda issued about the same, are genuine, and each entry therein is genuine. I am fortified in this view by the recent judgment of a Full Bench of the Orissa High Court in *Kirtan Sahu v. Thakur Sahu and others*, XXXVIII (1972) Cuttack Law Times 82. The question which had been referred to the Full Bench in that case was:—

"Whether the electoral roll prepared under the Representation of the People Act is an admissible in evidence without the author thereof and the person supplying the information being examined in the case."

Mr. Goyal has precisely argued that the author of the electoral roll and the person who had ordered and carried out the relevant amendments therein and ordered and issued the corrigenda should be examined in order to prove the genuineness of the relevant documents and entries therein. The Orissa High Court dealt with matter at length and held that an electoral roll prepared under the 1950 Act, and the Registration Rules is a public document to which the presumption under section 81 of the Evidence Act has application. Consequently the Full Bench answered the question referred to it in the following terms:—

"The electoral roll prepared under the Representation of the People Act is admissible in evidence without the author thereof and the person supplying the information being examined in the case."

I have, therefore, no hesitation in repelling the first contention of Mr. Goyal on this issue.

Nor do I find much force in the second submission of Mr. Goyal. It is not dispute that the office of a Minister in the Central Cabinet is an office declared by the President of India by notification No. S.O. 959, dated April 18, 1960, under sub-section (4) of section 20. The argument of Mr. Goyal was that Nanda Ji was not required to fill in the declaration as he was ordinarily resident in New Delhi, and though, but for his holding the office of the Railway Minister, he might have been ordinarily resident on the relevant date in Ahmedabad, he did not wish his name to be included in the electoral roll for the Ahmedabad Constituency, and, therefore, his case did not fall within sub-section (5) of section 20 of the Act. I am not concerned with the controversy whether Nanda Ji was or was not entitled to submit his declaration under sub-section (5) of section 20 of the Act read with rule 7 of the Registration Rules. The fact remains that he did submit such a declaration. Once the declaration was before the concerned Electoral Officer, it was his duty under rule 21 of the Registration Rules to include the names of Nanda Ji and his wife in the relevant electoral roll if he found that those two names were not already entered therein. This is what appears to have precisely happened.

The third contention of the learned counsel for the petitioner on this issue is equally devoid of force. Counsel submits that the copy of the electoral roll produced before me is spurious one simply because it has not been proved that the original manuscript copy from which it has been printed was ever in existence. Mr. Goyal wanted to apply this argument particularly to entries relating to the inclusion of the names of Nanda Ji and his wife. I am not only required by law to presume the relevant entries to be genuine as required by section 81 of the Evidence Act, but this Court is also barred by the express provisions of section 30 of the 1950 Act from entertaining or adjudicating upon any question whether any person is or is not entitled to be registered as an elector in a constituency as well as to question the legality of any action taken by or under the authority of an Electoral Registration Officer, or of any decision given by any authority appointed under the 1950 Act for the revision of any electoral roll. I find no escape from the absolute bar created by section 30 of the 1950 Act against any civil Court making any such enquiry on which Mr. Goyal wanted me to embark. High Court in exercise of its jurisdiction

under the Act is a Civil Court. It was held in *Rampakavi Rayappa Belagali v. B. D. Jatti and others*, 1970(3) Supreme Court Cases 147, that no Civil Court shall have the jurisdiction to entertain or adjudicate upon any question as to whether any person is or is not entitled for registration in the electoral roll of a constituency. On that basis it was held that it is irrelevant to reconsider the evidence on the question whether a particular person was or was not an elector at all. To the same effect is the law laid down in *Wopansuo v. M. L. Odhyne and others* A.I.R. 1971 Supreme Court 2123. In this view of the matter, it is not necessary for me to deal with the various reasons for which Mr. Goyal wanted me to hold that the action taken by the Electoral Registration Officer for including the names of Nanda Ji and his wife in the electoral roll was not legal. To be fair to him, I may merely enumerate those supposed reasons. Firstly, he said that the office note, dated February 6, 1971, in the file of the Electoral Registration Officer referred to the discrepancy having been noticed "while preparing working copies of the electoral roll", and said that there was no question of the working copies being prepared on February 6, 1971, as the relevant roll had been finally published by January 15, 1971, as entered on the title page of the basic roll. Secondly, Mr. Goyal submitted that the mistake was in fact discovered on February 6, 1971, which the petitioner applied for his copy Exhibit P. 3, and not while preparing the working copy as given out in the office note. Thirdly, he referred to the averments in paragraph 6-A of the written statement of Nanda Ji, and said that if the addition of his and his wife's names had been made on the basis of his declaration, and if he had even known that it was his name and that of his wife which had been included at the relevant time, he would have said "I and my wife" in the above-mentioned paragraph of his written statement, and not referred to himself and his wife as "another two voters.". His fourth contention was that the best evidence in the form of manuscript copies of the additions whereby the names of Nanda Ji and his wife were added at serial Nos. 853 and 854 having been withheld from the Court, it should be presumed that no such manuscript ever existed and the amendment containing the names of Nanda Ji and his wife was straightaway printed to help him without the existence of its original. Mr. Goyal's fifth contention was that the declaration under section 20(5) of the Act, read with rule 7(1) of the Registration Rules was got from Nanda Ji after the discrepancy was noticed only in order to help him out of the difficulty, and this declaration could not have been furnished in December, 1970, as it was not necessary for Nanda Ji to make any such declaration. His sixth submission in support of the contention about the relevant entries being forgeries was that Nanda Ji had contested the previous election also from the same Constituency (Kaithal), and his name existed at serial No. 884 of part 112 of Volume 12 of the New Delhi Parliamentary Constituency Rolls for 1966, and that, therefore, it would have made no difference for him if his name continued to remain against the Hastings Road House or was entered at the Tughlaq Road House. Counsel lastly laid emphasis on the fact that the presumption raised by the certified copy Exhibit P. 2 stood amply rebutted by the certified copy Exhibit P. 3 which was the last copy obtained before scrutiny. He referred to the judgment of the Kerala High Court in *Rosama Punnose v. Balakrishnan Nair*, A.I.R. 1958 Kerala 154, to show as to what is a certified copy. As already stated it appears to me to be wholly unnecessary to deal with these arguments on account of the provisions of section 81 of the Evidence Act and section 30 of the 1950 Act. For the same reason I do not consider the non-production of the register, the erroneous entries in which led to the discrepancy in numbering of the electors, as fatal to the respondent's case. I must presume that what is stated about the register is according to the real facts. Even if it were not so, it would make no difference to the legal position. Even if it is assumed that the explanation for the error has not been proved to be correct, the legal situation does not change and the entries in the electoral roll have to be presumed by me to be correct and genuine.

Chaudhry Bakhtawar Singh, learned counsel for respondent No. 1, further added that it is not open to the petitioner to make allegations of forgery in the electoral roll at this stage as the specific plea taken by the petitioner in the election petition does not even insinuate such a thing. The only plea is that Nanda Ji's name did not occur at serial No. 853. According to the law laid down by their Lordships of the Supreme Court in *Smt. Sahodrabai Rai v. Ram Singh Aharwar and others*, A.I.R. 1968 Supreme Court 1079, and in *Mohan Lal v. Anundilal and Others*, A.I.R. 1971 Supreme Court 2177, the Court cannot on the basis

of the plea raised for the first time during arguments record any finding when there is no pleading in respect of the particular allegation on which an election-petitioner seeks to rely for succeeding in the petition. The principles and the provisions of Order 6 Rule 4 of the Code of Civil Procedure are made applicable to pleadings in election petitions by section 87 of the Act. Learned counsel for Nanda Ji also laid emphasis on the fact that the petitioner cannot now try to pick holes in the documentary evidence produced in the case at his own instance when the petitioner deliberately declined to examine P.W.1 on oath, and contended himself with the mere production of the relevant records. He also laid emphasis on the fact that the burden of issue No. 1 was on the petitioner, and particularly in view of the statutory presumption raised under section 81 of the Evidence Act it was for the petitioner to call whatever other evidence he wanted to produce in order to rebut that presumption. Lastly Chaudhry Bakhtawar Singh submitted that under rule 11(c) of the Registration Rules every recognised political party is entitled to free supply of two copies of each separate part of the electoral roll. He submitted that the petitioner himself was an official candidate of the Congress (O) Party, and was assisted by the Jan Sangh Party. His argument was that if there could be any truth in the insinuations now made by the petitioner at the time of arguments about the roll produced by P.W.1 being not the genuine roll, there was nothing to prevent the petitioner from procuring from either the Congress (O) office or Jan Sangh office in New Delhi the genuine copies of the electoral roll which must have been obtained by those two parties, and produce the same. It was in response to this argument that Mr. Goyal took two adjournments during arguments in order to procure and produce such a copy of the electoral roll. Ultimately on July 31, 1972, however, Mr. Goyal stated that he did not want to produce any such copy of the electoral roll.

The best case made out by the petitioner is that according to the finally corrected roll, the serial number of Nanda Ji in the electoral roll was 901, and, therefore, he had been wrongly described as being an elector at serial No. 853, in the electoral roll. Not only has such an objection not been specifically raised in the election petition, but even if it is now permitted to be raised there is no force in it for the simple reason that all that is necessary for an elector to stand as a candidate is that his name should be in the electoral roll in which it is claimed to exist, and it is not necessary that it must exist at the serial number at which it is claimed unless it is shown that his name was not there at all in the roll. Moreover, it is settled law that no one can be held responsible for the mistake of a Court or the mistake of a public authority. The judgment of the Supreme Court in *Jang Singh v. Brij Lal and others*, 1963 Current Law Journal (Supreme Court) 11, and of this Court in *Mangat Ram v. Ved Parkash*, 1969 Current Law Journal 254, were referred to regarding the above-said principle in its application to Courts. On that basis it was argued by Chaudhry Bakhtawar Singh that if a wrong number had been assigned by the Electoral Registration Office to Nanda Ji, the latter cannot be penalised for the same. I find force in this argument also.

In view of the foregoing discussion, I have no hesitation in holding that the nomination paper of Nanda Ji was not wrongly or illegally accepted by the Returning Officer. Issue No. 1, is, therefore, decided against the petitioner.

Issue No. 2.

Issue No. 2 does not arise in view of my finding on issue No. 1. If, however, I had found issue No. 1 in favour of the petitioner, I would have recorded a finding on issue No. 2 also in his favour as it is obvious that the wrongful acceptance of the nomination paper of the returned candidate is bound to materially affect the result of his election.

Issue No. 3.

As already stated in the beginning of the judgment, the pleas giving rise to issue No. 3 were given up by the petitioner in his statement made before me on May 12, 1972. Issue No. 3 is, therefore, decided against the petitioner.

Issues Nos. 4 to 7:

I will take up all these four issues together because they have arisen out of an allegation relating to one single corrupt practice, and are, therefore, interconnected. The allegations which have given rise to these issues are contained

in paragraph 6(B) (vii) of the election petition in the following words :—

"That Shri Albel Singh Nain, Ex-M.L.A. resident of village Sancha Khara, tahsil Narwana, a close political rival of the petitioner, was an active worker and supporter of respondent No. 1 and was looking after the work of polls in the Narwana Assembly Constituency. Shri Albel Singh while he was at Danoda Polling Station on March 5, 1971, wrote a chit to respondent No. 1, at Narwana, requesting him for arranging a truck for carrying voters from Khanauri to Danoda. The said voters were registered in the electoral rolls of Danoda, but were working at Khanauri on that date. The said chit was delivered to Shri Nanda at Narwana, who handed over the said chit to Shri K. K. Dewan, Municipal Commissioner, Narwana, to do the needful. Shri Dewan deputed Jeep No. HRJ-5385 for carrying the voters from Khanauri to Danoda. Shri Hoshier Singh was driving Jeep No. HRJ-5385 and Shri Bhag Chand, resident of village Danoda brought Sarvshri Mehar Chand son of Bhuru, Sawan and Dhan Singh and Teka sons of Mehar Chand, voters from Khanauri to the polling booth at Dhanoda. Some other voters, who were working at Khanauri were brought to the polling booth at Dhanoda in a truck."

In the corresponding paragraph of his written statement, Nanda Ji has replied to the above allegations in the following terms :—

"In reply to sub-paragraph (B)(vii), it is submitted that Shri Albel Singh Nain was supporting the Congress in the last election, but it is not in the knowledge of the answering respondent that he was a political rival of the petitioner nor it is admitted that he was an active worker of the answering respondent. It is also denied that he was looking after the work of polls in Narwana Assembly Constituency for the answering respondent. As already submitted, all these arrangements were made by the local Congress Committee and the answering respondent have had nothing to do with the same. Again it is not in the knowledge of the answering respondent that Shri Albel Singh wrote a chit on 5th March, 1971, to the answering respondent at Narwana. No such chit was ever received by the answering respondent. The answering respondent has had no direct contact with Shri Albel Singh. Therefore, the answering respondent did not receive any such alleged chit. The rest of the averments contained in this sub-paragraph, are not admitted. The answering respondent never authorised Shri K. K. Dewan, Municipal Commissioner, Narwana, to do anything on behalf of the answering respondent, but he was working for the Congress in that area. As subsequent enquiries disclosed no such chit ever reached even Shri K. K. Dewan and no such jeep was deputed by Shri K. K. Dewan to carry any voters from Khanauri to Danoda. It appears that the said chit has been manipulated or forged one. How it fell into the hands of the petitioner is again kept a guarded secret. The mere fact that the alleged chit has found its way in the hands of the petitioner, gives further support that the same is either forged or manipulated. Again no particulars of the voters carried in the jeep have been given. The allegation like others is vague and indefinite for want of particulars. It may further be added that respondent No. 4, father of Shri K. K. Dewan was also one of the contestants for the seat from this Parliamentary Constituency.

It is incorrect that Hoshier Singh was driving Jeep No. HRJ-5385, nor it is admitted that Jeep No. 5385 was either engaged or plied by the answering respondent nor any person of the name of Hoshier Singh was in the employment of the answering respondent. The persons named Shri Bhag Chand, Shri Mehar Chand son of Bhuru and others were not carried from Khanauri to the polling booth at Danoda by any person on behalf of the answer-

ing respondent. It is also incorrect that any other voters who were alleged to be working at Khanauri were brought to the polling booth at Danoda in a truck. The allegation is vague and absolutely obscure. Neither the names of the voters who are alleged to be working at Khanauri nor the number of the truck, nor the date, nor time have been given in the allegation contained in the petition. Besides this, it is a new allegation made after the expiry of the period of limitation and may please be ordered by the Hon'ble Court to be deleted from the petition. It may further be added that the persons named to be carried in HRJ-5385 and Shri Bhag Chand were all supporters, canvassers and workers of the petitioner."

The evidence on these issues consists of the statements of C.W. 1 Albel Singh Nain who wrote the chit, P.W. 8 Hoshier Singh, the alleged driver of the jeep, P.W. 13 Bhag Chand, who is said to have accompanied Hoshier Singh in the jeep to bring the electors, P.W. 18 Dr. Madan Gopal Mittal through whom the petitioner got possession of the chit, P.W. 25 petitioner himself, R.W. 4 Chaudhry Mann Singh Advocate who claims to have been with Nanda Ji on the relevant date, R.W. 7 Dewan Krishan Kumar and R.W. 8 respondent No. 1 himself. Evidence of a somewhat formal nature has also been led by the petitioner to corroborate the story about jeep No. HRJ-5385 having been procured by Nanda Ji for the election work. That evidence consists of the statements of P.W. 21 Vaid Charanji Lal, P.W. 22 Devi Dayal and P.W. 23 Bhagwan Datt.

The petitioner cited Albel Singh Nain as his witness and even summoned him. When he appeared as P.W. 4 on September 20, 1971, learned counsel for the petitioner stated that he did not want to examine him as a witness but merely wanted him to give to the Court his specimen Urdu writing so that it may be possible to get the same compared with the writing on the disputed chit. Albel Singh Nain, therefore, gave his specimen writing Exhibit P.W. 4-1 at my dictation. He made those writings with a fountain pen. The petitioner produced Dewan K. S. Puri handwriting expert, as P.W. 15 on September, 27, 1971. He stated that he would not be able to give a definite opinion by comparing the admitted writing with the disputed one as the former was said to have been written in ink and the latter in pencil. He wanted specimen pencil writing of Albel Singh being made available to him. At that stage Mr. S. P. Goyal, learned counsel for the petitioner, prayed that Albel Singh Nain may be summoned to give a specimen pencil writing in Court, and P.W. 15 may be directed to take photographs of the disputed and the admitted pencil writings, and may then be directed to appear as a witness in Court, after examining those documents. Counsel for Nanda Ji objected to the prayer being granted. He submitted that the disputed writing itself was irrelevant and not admissible in evidence. At the joint request of the counsel for the parties, this matter was, however, left open to be decided after the conclusion of the evidence of the petitioner on issues other than issue No. 3.

This matter was again taken up on October, 11 1971. Counsel for Nanda Ji argued that since the petitioner had not availed of the opportunity to examine Albel Singh Nain, and to ask him to admit or deny the execution of the chit when he appeared in Court as P.W. 4, his alleged statement in writing contained in the chit cannot be permitted to be proved by any evidence, as the said writing was at best a written statement of a living person. I found force in the contention of Chaudhry Bakhtawar Singh to the effect that Albel Singh Nain not having been examined as a witness and not having made any statement in Court, there was hardly any question of corroborating his statement by reference to the chit which was alleged to have been written by him earlier. Mr. S. P. Goyal on the other hand wanted to prove the writing of Albel Singh Nain by expert evidence merely in order to prove issue No. 5. Albel Singh Nain had not been examined on oath by the petitioner. His name did not appear in the list of witnesses of Nanda Ji. I, therefore, decided by my order, dated October 11, 1971, that Albel Singh Nain should be examined as a Court witness so as to elicit from him whether he did or did not write the disputed chit, and if so, in what circumstances and for what purpose. I, therefore, directed the production of Albel Singh Nain as a Court witness. The question of the petitioner being or not being permitted to produce expert evidence to prove the disputed writing of Albel Singh

Nain was left over till the recording of Albel Singh Nain's own statement. In pursuance of my above said order, Albel Singh Nain appeared as C.W. 1 on October 12, 1971. He straightaway admitted the pencil writing in Urdu on the chit marked Exhibit C.W. 1/1. Translated into English that writing would read as follows :—

"Nanda Ji, I have received information that 15 or 20 voters are engaged in saltpetre work at Khanauri. A truck is needed. It may be arranged."

Though the pencil writing translated above is in Urdu language and script, it bears the signature of Albel Singh Nain in English, and is dated in his own handwriting as March 5, 1971. Albel Singh Nain admitted his signature in English as well as the date 5-3-1971, on the chit being in his handwriting. After asking him two questions relating to the writing of the chit, the signature and the date on the chit, I gave over the witness to the counsel for the parties for cross-examination. In cross-examination by Chaudhary Bakhtawar Singh, Albel Singh Nain gave the following version of what had happened:—

"After casting my vote in the polling station at Sancha Khera on March 5, 1971, I was going to village Nehla in district Hissar. I was going on a push bike. When I reached near the High School building at Dhanoda Kalan, I stopped there to see the voting which was taking place there. I came to know that certain voters of Dhanoda Kalan were at village Khanauri and they had offered to come and cast their votes if some arrangement for their conveyance could be made and that in that case they would also pay for the conveyance and also cast their ballots. Just then a car arrived therein which two or three persons including a girl were sitting. I had heard that some girl was working for Nanda Ji. I thought that this car, seen by me, must be working for Nanda Ji. So gave the chit Exhibit C.W. 1/1 to the man who was sitting by the side of the girl. Subsequently, I came to know that that man was Dr. Madan Gopal. I had given the chit to that man in the car to be handed over to Nanda Ji, or to any of his men or to Dewan Krishan Kumar who was in charge of Nanda Ji's election work. After giving the chit to the persons in the car, I stayed at the spot for about ten or fifteen minutes and then went away. (After the first question was put to the witness in cross-examination by Chaudhary Bakhtawar Singh, he has given the rest of his statement up to this point voluntarily on my asking him to state on and on). It is incorrect that any voters from Khanauri came to the polling station at Dhanoda Kalan in my presence thereafter on that day. As already stated, I left that place after giving away the chit. Subsequently I came to know that the entire rumour about the Khanauri voters was false and in fact there were neither any voters at Khanauri nor any were brought to cast their votes.

Whatever canvassing I did during the election in question was done by me on my own cycle. It is incorrect that any jeep was provided to me for the purpose of canvassing either by Nanda Ji or by anyone on his behalf. I never travelled in any jeep driven by any Hoshiar Singh. In fact I do not know any Hoshiar Singh. I know Bhag Chand of village Sancha Khera. That Bhag Chand is son of Sada Nand. I also know Bhag Chand son of Rugha of Dhanoda Kalan. He was totally opposed to Nanda Ji and was working for the petitioner in the election. If Bhag Chand has stated that I gave the chit Exhibit C.W. 1/1 to him for being passed on to Nanda Ji, he is telling a lie. I never gave this chit to him. I did not meet Gulzari Lal Nanda anywhere on March 5, 1971. In fact, as already stated, I went away out of the constituency after casting my vote and after staying for some time at Dhanoda Kalan."

During the cross-examination by counsel for the petitioner, Albel Singh Nain admitted that he had joined the Congress in January, 1956, and had since then continued to be in the Congress. When a straight question was put to him on behalf of the petitioner suggesting that he had been

working for and helping the Congress candidate, he replied as below:—

"This is all a question of election stunt. At some time I may help, at others I may not."

He, however, admitted in the next breath that he was an active worker of the Congress, and that he was an active supporter of Nanda Ji in the election in dispute. He claimed to have known Vaid Charanji Lal of Dablain, but disowned knowledge about Jeep No. HRJ-5385 being owned by the said Vaid Charanji Lal. He, however, vehemently denied that any such jeep driven by Hoshiar Singh was placed at his disposal. He wanted me to believe that since Nanda Ji's position was very weak in Narwana, so his workers could not get any conveyance, and therefore, Albel Singh Nain had to go about on a cycle. He also gave somewhat queer explanation as to why and how he happened to be at Dhanoda Kalan. He said that he was on his way from his village Sancha Khera to Nehla in Hissar district to which place he was going at that time. When he was asked to explain as to why he was going to Nehla, he said that he could have hundred jobs to do in that village. He admitted that Nehla was about 25 or 26 miles from his village, and stated that he had to cover that distance on cycle. Though he admitted that he had been working for Nanda Ji in election days, he denied that he worked for Nanda Ji throughout the polling day at Dhanoda Kalan polling booth. He said that the vehicles which were being used by the candidates during the election days displaced the election symbols of their respective candidates. He denied that Bhag Chand used to go about to him and suggested that Bhag Chand belonged to the petitioner's party. Asked as to how he had stated that he had subsequently come to know that the whole of the story about Khanauri voters was false Albel Singh Nain stated that he enquired into the matter when he received summons to appear as a witness in this case on behalf of the petitioner and then came to know that the whole of this story was false. He was then confronted with the fact that the summons issued by the Court did not say anything about the witness being required to depose about Khanauri voters. He then said that he had gone to Narwana after receiving the summons and he met Dewan Krishan Kumar at the latter's shop, and told him about the receipt of the summons and that it was stated that he had written some chit. Albel Singh Nain said that he then recollected that he had written a chit for bringing voters from Khanauri and said "what had this come to!" It was in that situation that Albel Singh Nain claims to have made enquiries about the Khanauri voters. The following part of his statement in cross-examination on behalf of the petitioner regarding the circumstances in which he had written the chit is somewhat interesting and is, therefore, quoted verbatim:—

"I stopped at Dhanoda Kalan School building only for five or ten minutes. I got down from the cycle, wrote the chit, the car came, I gave the chit in the car and left.

Question: Who told you at Dhanoda Kalan about the request of the voters in Khanauri?

Answer: Large number of voters had collected there, who were all saying this, but particularly one Moman of Dhanoda Kalan mentioned this to me.

He said that saltpetre extractors were saying that the voters in Khanauri would pay the hire of the vehicle if one is sent to bring them.

To Court: A person can travel by bus from Khanauri to Dhanoda Kalan by changing at Narwana.

Cross-examination continues: It is correct that I had written to Nanda Ji in the chit to arrange for a truck as trucks could also be hired out. I do not if any trucks were being used for the election work of Nanda Ji in those days or not.

Question: Why did you not suggest either a jeep or a car being set to Khanauri and why did you particularly ask for a truck being arranged?

Answer: I was told that 15 or 20 voters had to be brought. It was impossible to bring so many people in a jeep or a car. That is why I asked for a truck being arranged.

It is incorrect that I know Dr. Madan Gopal Mittal for the last about 15 or 20 years. In fact I did not know him even on that day. I have not seen him till today. I worked as a Patwari for ten or eleven years and remained a Kanungo for five or six years."

He also admitted that he had worked as a Patwari in two different circles in the Narwana area. He also did not dispute the fact that 25 or 30 villages in Narwana constituency are inhabited by the members of his sub-caste (Nain). Asked about distributing posters on behalf of Nanda Ji, Albel Singh Nain stated that this was not his duty. He also recollected having attended a workers' meeting of Nanda Ji, in Narwana, but stated that he could not attend other meetings held by him at Narwana. His version about not having known Dr. Madan Gopal Mittal earlier was obviously not correct as he admitted that he was a member of the *Ad hoc* Managing Committee of the Kanila Memorial College in Narwana, and could not deny that Dr. Madan Gopal Mittal was a standing medical attendant of that institution. He admitted that he visited Narwana very often, but tried to evade admitting any knowledge about the location of Dr. Madan Gopal's shop. At first he stated (without seeing the chit) that he had addressed the chit Exhibit C.W. 1/1 to Dewan Krishan Kumar and not to Nanda Ji, but when he was confronted with the original chit, he kept it in his hand for quite some time and then stated with his trembling hands:—

"I do not now remember what my *Ishara* was. I did not know whether Nanda Ji was at Narwana or not at that time."

He refused to either admit or deny the fact that Dr. Madan Gopal Mittal, who was himself a candidate at the election in question, had or had not any election camp either at Dhanoda Kalan or in Sancha Khera. He said that the only time when he had met Dr. Madan Gopal Mittal was on March 5, 1971, when he had handed over the chit in question to him in the car at Dhanoda Kalan. He denied having given the chit to Bhag Chand of Dhanoda Kalan and having now made a false story to help Nanda Ji. He said in that respect:—

"There was no question of giving the chit to Bhag Chand as he was opposing Nanda Ji and I had no concern with him. I did not know any one of the occupants of the car when I gave the chit in question to one of them."

During the course of the examination of Albel Singh Nain, I got an impression that he was trying to show overcleverness and that he was not speaking the whole truth, but had been making continuous efforts to suppress certain facts. I made a note below Albel Singh Nain's statement regarding my impression about the witness.

Hoshiar Singh P.W. 8 has claimed that he worked as a driver on Jeep No. HRJ 5385 belonging to Charanji Lal Vaid for the period it had been obtained on hire (at Rs. 70/- per day) by Krishan Kumar, a worker of Nanda Ji, and that Nanda Ji had taken the jeep and had entrusted it during February, 1971, to Albel Singh Nain for canvassing work. When a direct question was put to him as to who entrusted the jeep to Albel Singh Nain, his reply was "Albel Singh Nain". According to him Krishan Kumar used to put petrol in the jeep and Albel Singh Nain used to take it around 30 or 35 villages in the constituency inhabited by members of the Nain caste. Hoshiar Singh deposed that on March 5, 1971, he was standing below Nanda Ji's office at Narwana when Nanda Ji had already come there. At that time Bhag Chand P.W. 13 came there, paid his respects to Nanda Ji and handed over the chit to Nanda Ji with a pencil writing on it. Nanda Ji, according to this witness, read the chit and while passing it on to Krishan Kumar said that it had been received from Albel Singh Nain and that Krishan Kumar should arrange to send a truck to enable Albel Singh Nain to bring voters from village Khanauri. The witness continued to say that as no truck was available at the spot, Krishan Kumar told him that he and Bhag Chand should go in the jeep and bring voters from village Khanauri as a chit had been received from Albel Singh Nain. He then claims to have taken Bhag Chand with him in the jeep to Khanauri from where he brought four voters, that is Mehar Chand and his three sons including Tek Chand of Dhanoda. He added that he passed on those four voters

to Albel Singh Nain who got their identification chits issued and sent them inside the polling station for casting their votes. In cross-examination by the counsel for respondent No. 1, he stated that he had taken out the driving licence on August 3, 1970, before which he had never worked as a driver, and that having worked for some time with one Des Raj, he got the second service "with Albel Singh Nain". He stated that after March, 1971, he had again never served as a driver. He said that he had been employed on the jeep in question by Krishan Kumar. In answer to the question as to how he had been introduced to Krishan Kumar, the witness gave a somewhat unsatisfactory reply. Though he had originally stated that he worked on the jeep during the period it was doing Nanda Ji's work only and Krishan Kumar had employed him, he later said that the jeep was still with Vaid Charanji Lal when he was employed. In an attempt to reconcile the two statements, he then said he had been taken by Ram Kumar (who was alleged to have taken the witness to Dewan Krishan Kumar) to Vaid Charanji Lal, and not to Krishan Kumar as the jeep was still with Charanji Lal. Consequently he had to say that his emoluments were also settled with Charanji Lal Vaid at rupees ten per day. Though in the beginning he had even given the details of the deal struck between Krishan Kumar and Charanji Lal, he admitted in cross-examination that the settlement for taking the jeep by Krishan Kumar from Charanji Lal was not arrived at his presence. In the beginning he had said that he remained on the jeep with Albel Singh Nain throughout the period. In cross-examination he said that he used to take the jeep to Albel Singh Nain at the instance of Dewan Krishan Kumar. Having once admitted that he was not present when Krishan Kumar hired the jeep from Charanji Lal, he again stated that it was Krishan Kumar who had told Charanji Lal that the jeep was to be used for the election work of Nanda Ji. In answer to a Court question about the time when such talk took place between Krishan Kumar and Vaid Charanji Lal, the witness said that they had met two or three days before he joined the service. Having realised that he had made a fool of himself, he then said that this talk took place between Vaid Charanji Lal and Krishan Kumar on the day his terms were settled. He claimed that his total emoluments calculated at the rate of Rs. 10/- per day were paid to him by Vaid Charanji Lal on March 6, 1971. He could not say with certainty about the model of the jeep. He stated that he used to hand over the chits issued for petrol by Krishan Kumar to one Shadi Ram at the petrol pump of Messrs. Shadi Ram Bhagwan Dass of Narwana. When asked to state as to how old Shadi Ram looked, he said that he looked to be 30 to 35 years of age. When he was confronted by counsel with the suggestion that he was telling a lie in this respect as Shadi Ram had died several years ago, he gave the following reply:—

"I do not know whether the man to whom I used to give the chit was Shadi Ram or Bhagwan Dass. All that I know is that he was a man working on the petrol pump of Messrs. Shadi Ram Bhagwan Dass."

Albel Singh Nain's chit was said to have been brought by Bhag Chand to Nanda Ji at about 12 noon on March 5, 1971. Nanda Ji is stated to have arrived there about half an hour before that. Hoshiar Singh denied the suggestion about his having given false evidence at the instance of one Des Raj of the Jan Sangh party. He admitted that Dhanoda is about 25 miles from Khanauri. He claimed to have reached the polling station at Dhanoda at about 3.30 P.M. He first said that there were two polling stations at Dhanoda. He then said that there were two polling booths in the same polling station. He claimed to have met Albel Singh Nain for the first time in village Dhanoda on March 5, 1971 when he had taken the voters there from Khanauri. What is somewhat strange is that the witness said that he had never told the petitioner anything about the facts to which he had deposed in Court. He also said that he had not told anyone else about those facts. Petitioner was admittedly not present when the chit is said to have been delivered to Nanda Ji at Narwana or when the jeep was sent or the voters were brought. As to how the petitioner came to dream about this witness has, therefore, remained a mystery. He denied the suggestion that in fact one Daryao Singh was the driver on the jeep in question during the relevant period. Though he had earlier said that he had never worked as a driver on anybody's vehicle after giving up the employment on the jeep in question on March 5, 1971, he forgot having so said, and

stated towards the end of his deposition that he started working as driver on a jeep of a dairywala at Narwana in June, 1971, and served him for about two months. He admitted that he had not given any receipt for the salary paid to him by any of his employer for working as driver on the jeeps in question. He told the story about his having purchased a car which was not in running order for using it, as a taxi, but admitted that he had not even applied for a permit to run the taxi. It appears to me that he is a got up witness who has not successfully stood the test of cross-examination and has made different statements at different times in respect of the same matter. It does not, therefore, appear to be safe to place reliance on his testimony for proving the commission of any corrupt practice by the returned candidate.

P.W. 13 Bhag Chand, member of the Panchayat of village Dhanoda, stated that Albel Singh Nain used to go to him in a jeep driven by Hoshiara and that he was working for Nanda Ji on the polling day in the election camp outside the polling station at Dhanoda Kalan when Albel Singh Nain came there and was on his enquiry told by the witness that fifteen or twenty voters from village Khanauri had not arrived till then. Bhag Chand stated that thereupon Albel Singh Nain wrote something on a slip of paper obtained by him from the election camp of Nanda Ji, folded the slip and gave it to Bhag Chand and asked him to go to Narwana, to meet Nanda Ji there and to ask him to arrange for a truck for bringing voters from village Khanauri. Bhag Chand claimed to have complied with the direction and after having reached the election office of Nanda Ji at Narwana handed over the chit to Nanda Ji and told him of Albel Singh Nain's message whereupon Nanda Ji read the chit and passed it on to Dewan Krishan Kumar saying that it had been received from Albel Singh Nain and Krishan Kumar should arrange for some truck. On seeing the chit Exhibit C.W. 1/1 he stated that it looked like the one referred to by him in his deposition. Then he repeated the story of Dewan Krishan Kumar having told Hoshiar Singh to take him along and about both of them having gone to Khanauri and having taken Mehar Chand and his three sons to Dhanoda Kalan where they were passed on to Albel Singh Nain who got them the identification slips and sent them into the polling station. Bhag Chand could not say in cross-examination by Choudhry Bakhtawar Singh as to the place from where Albel Singh Nain had come to the polling station at about 11 or 11.30 A.M. though Bhag Chand was working there since 8 A.M. Though he claimed to have been working for Nanda Ji at the various polling stations, he could not give the name of any polling agent of the petitioner. He said that he had visited Nanda Ji's office at Narwana only on about two occasions prior to March 5, 1971. His story about the manner in which he had come to know about the Khanauri voters is also rather difficult to believe. He stated that Mehar Chand had met in village Dhanoda one day before the date of polling and had told him that if they (Nanda Ji's men) wanted them (Mehar Chand, etc.) to cast their votes, they should get them from Khanauri. Bhag Chand claims to have given this information to Albel Singh Nain "about ten days before" the polling day. How Bhag Chand could tell Albel Singh Nain ten days before the polling something which was told to Bhag Chand only one day before the polling is a mystery which can never be solved. In order to create evidence of the delivery of the chit to Nanda Ji, a story was made out that Nanda Ji was standing outside his office when the chit was delivered to him and Dewan Krishan Kumar was available close at hand to take over the chit and to receive instructions from Nanda Ji. Bhag Chand stated that the petitioner went to him after about a month on his having come to know about the chit and on enquiry from him Bhag Chand told the petitioner how the chit had been given to Nanda Ji. According to Bhag Chand, the petitioner had told him on that occasion that the chit had fallen to his hand though he did not show the chit to Bhag Chand. Nor he told him how he had procured it, though Bhag Chand is supposed to have made enquiries in that behalf.

Dr. Madan Gopal Mital who was himself a candidate at the election in question has appeared as P.W. 18. He claims to have been at Narwana from 12 noon to 1 P.M. on March 5, 1971. During that period Nanda Ji and Krishan Kumar are claimed to have met him in the Arya Higher Secondary School at about 12.30 P.M. This witness wants me to believe that when Krishan Kumar was taking out his handkerchief from the pocket of his pants, he happened to drop out the chit Exhibit C.W. 1/1 which was noticed

by Dr. Madan Gopal and taken over by him. The reason given by him for taking over and keeping the chit with himself is rather strange and the best way of appreciating it is to quote it in the words of the witness himself :—

"Since my name was also not in the voters' list, I was interested in the subject, and so I kept the chit with me."

The chit had nothing to do with the voters' list. The reason given by Dr. Madan Gopal for taking over the chit is so lame that it adversely affects the whole story about the chit having been acquired by Madan Gopal incidentally which story was even otherwise not easy to swallow. Though it may happen in a cinema story, it is indeed a very strange coincidence that Krishan Kumar would preserve the chit, would carry it with him and would drop it right at the time when a contesting rival candidate is in front of him, that Krishan Kumar would not notice the chit having fallen down and would walk away from there merely in order to make the chit available to Dr. Madan Gopal Mital. The alleged reason for taking over the chit strikes at the bottom of the story. He said (in addition to what has been stated earlier):—

"Since my name was not in the voters' list I was apprehensive that I may have to file a writ petition and thought that in that eventuality the chit would be useful to me."

Dr. Madan Gopal Mital has referred to his telegram sent to the Chief Election Commission of which no copy or receipt has been produced, but it is referred to in a purported copy of a supposed letter written by Mr. Madan Gopal Mital to the Chief Election Commission at 10.30 P.M. on the night of March 5, 1971. The relevant record had been summoned from the office of the Chief Election Commission. The original of the alleged letter, dated March 5, 1971, was stated to have never been received in the office of the Election Commission. Reference to the letter, dated March 5, 1971, has been made in a subsequent letter which was admittedly received by the Chief Election Commission but that particular letter is of no help to the petitioner.

Mr. Madan Gopal Mital has said that his Head Office advised him not to file a writ petition the witness appears to mean election petition), and, therefore, he did not utilise the chit himself, but kept it with him and later gave it over to the petitioner when he came to know that the petitioner was filing an election petition. Dr. Madan Gopal Mital could not give the date on which he handed over the chit to the petitioner. He neither retained any copy of the chit nor obtained any receipt for the same from the petitioner.

The evidence of P.Ws. 21 to 23 has been led merely in order to show that the jeep in question did belong to Vaid Charanji Lal. When P. W. Charanji Lal Vaid appeared before me on October 11, 1971, counsel for the petitioner stated that he did not want to examine him on oath, but wanted him merely to produce the document marked P.W. 21/A (for the purpose of fixing the identity of that document). According to Hoshiar Singh driver, the talk for procuring the jeep on hire on behalf of Nanda Ji took place between Vaid Charanji Lal on oath and asked him to admit or deny that talk. The petitioner did not, however, take courage to do so. The only inference that I can draw from these circumstances is that if any question had been put to Vaid Charanji Lal in that regard, his reply would not have been favourable to the petitioner.

Devi Dayal was produced as P.W. 22 to prove that he had scribed the document marked P.W. 21/A (admitted into evidence as Exhibit P.W. 22/1). He claimed to have scribed the document on behalf of Devi Chand Ram in favour of Vaid Charanji Lal and Rattan Singh. He made an entry about the scribing of that document in his register on November 23, 1970. The document Exhibit P.W. 22/1 is an agreement between Devi Chand Ram, and Vaid Charanji Lal and Rattan Singh showing that jeep car No. HRJ5385 belonging to Devi Chand Ram had been given over by him to Vaid Charanji Lal in consideration of payment of Rs. 12,000 by Vaid Charanji Lal to Devi Chand Ram on the condition that Devi Chand Ram could take back the jeep on repayment of Rs. 12,000. According to that document, the vehicle was left at the disposal of Vaid Charanji Lal to use it in any manner he liked on the basis of the mortgage of the jeep with possession. Devi Dayal said that he had not seen any document in respect of the jeep to show that that it was owned by Devi Chand Ram at that time.

Bhagwan Dass P.W. 23 is an attesting witness of the agreement Exhibit P.W. 22/1. He tried to improve the story by adding that the papers of the jeep were handed over by Devi Chand Ram to Vaid Charanji Lal at the time of making payment. He, however, stated that no such documents were handed over in his presence by Devi Chand Ram to Vaid Charanji Lal and it was merely Charanji Lal who was saying in his presence that he had received the document in respect of the vehicle. The only document which passed hands in the presence of the witness was agreement Exhibit P.W. 22/1.

This is the entire evidence led about the alleged mortgage of the jeep by Devi Chand Ram in favour of Vaid Charanji Lal and Rattan Singh. Rattan Singh has not been produced as a witness. Even if all this evidence is believed, it does not take us beyond this that the jeep in question was available with Vaid Charanji Lal on and after November 23, 1970. The only witness out of these three witnesses who could have deposed about the jeep having been handed over to Nanda Ji, Krishan Kumar or Albel Singh Nain was Vaid Charanji Lal who was not examined by the petitioner in that respect in spite of the opportunity afforded to him by the presence of Vaid Charanji Lal in the witness-box at the time when he produced the agreement Exhibit P.W. 22/1.

Shri Inder Singh petitioner entered the witness-box as his own witness as P.W. 25. He related the entire story on which his allegation of the relevant corrupt practice against respondent No. 1 in this respect is based. He added that the chit Exhibit C.W. 1/1 had been handed over to him by Dr. Madan Gopal Mittal P.W. 18 about a month or so after the election. He further stated that having come to know of the part played by Bhag Chand in the matter, he had a talk with Bhag Chand also, and he confirmed the episode. In reply to the questions put to him in cross-examination he stated that he knew Dr. Madan Gopal Mittal, but it would be too much to say that Dr. Madan Gopal Mittal is his friend as he is not even on visiting terms with him.

According to the petitioner it was Dr. Madan Gopal Mittal who had told him that he had got the chit. He then went to Dr. Madan Gopal Mittal and thereupon the chit was given to him a few days before the date of filing the election petition. The polling took place on March 5, 1971, and the election petition was filed on April 26, 1971. According to the original version of the petitioner he got the chit from Dr. Madan Gopal Mittal on or about April 5, 1971 (about a month after the election). According to his version in cross-examination, he got it a few days before April 26, 1971 (the date of filing the election petition). This would be sometime after April 20, 1971. Though by itself this is a very minor discrepancy, it does add to the doubt which is otherwise created in one's mind on appraising the entire evidence about the manner in which the chit in question somehow travelled from Albel Singh Nain to Dr. Madan Gopal Mittal and from Dr. Madan Gopal Mittal to the petitioner. The petitioner denied that Dr. Madan Gopal Mittal and his wife were canvassing together in a jeep. The petitioner stated that so far as he was aware, Dr. Madan Gopal Mittal did not do any canvassing. In fact no probative value can be attached to the statement of the petitioner himself regarding the real matters in dispute covered by these issues as he had clearly stated in his reply (dated September 21, 1971) to Civil Miscellaneous No. 28-E of 1971, that he had no personal knowledge of any of the matters in issue, and, therefore, the application of Nanda Ji for directing him to be examined as his first witness or asking him to remain out of Court when the other evidence was being recorded should be dismissed. The only matter on which his deposition is based on his own knowledge relates to his meeting with Dr. Madan Gopal Mittal and the securing of the chit from him, and his alleged talk with Bhag Chand P.W. 13. Of course Bhag Chand had also stated that the petitioner had gone to him after about a month and on his having come to know about the chit he had enquired from Bhag Chand about the same, and Bhag Chand had told the petitioner how the chit had been given by him to Nanda Ji.

This is the entire evidence led by the petitioner on these issues.

As against this evidence, Nanda Ji besides putting himself and Krishan Kumar in the witness-box, has produced R.W. 4 Chaudhry Mann Singh, Advocate of Kaithal. I

regret to say that the testimony of this witness, who claims to have been present with Nanda Ji at Narwana on the polling day, has not impressed me as being truthful. He said that he knew Albel Singh Nain, Ex. M.L.A., but he did not know if he was working for any candidate during the election in question. He expressed ignorance of what Albel Singh Nain was doing during those days. He claims to have been accompanying Nanda Ji on three different dates to address meetings on his behalf without being compensated in any manner, though he admitted that he was neither a friend nor a relative of Nanda Ji. According to him Nanda Ji went round substantial part of his constituency on the polling day, but stayed only for about 25 to 30 minutes at Narwana. He admitted that he had never been to Narwana on any other occasion either with or without Nanda Ji during the election in question. He could not even say if Nanda Ji had or had not set up an election office in Narwana. Nor could he say if Nanda Ji had set up any election office anywhere in his constituency or not. Pressed into answering several questions, he stated that he did nothing for Nanda Ji except addressing public meetings. When he was asked if any cars or jeeps had been engaged for Nanda Ji's work, he gave a queer reply. He stated:—

"I remained with Nanda Ji and, therefore, do not know if any cars, jeeps, etc. had at all been engaged by Nanda Ji or not for propaganda work, and if so, how many.

I cannot give the number of the jeeps and the cars.

I cannot even say whether the number of cars and jeeps was 50 or 100, or more or less."

He could not even say if loudspeakers were or were not fitted on these vehicles. He admitted that the cars and jeeps which he saw being used for Nanda Ji's election work used to bear his election symbols, flags or posters.

Dewan Krishan Kumar appeared as R.W. 7 and admitted that he was helping Nanda Ji as the official Congress candidate. He stated that Jeep No. HRJ-5385 was never used by him in the election, that he did not enter into any contract for taking the said jeep from Vaid Charanji Lal or for taking any jeep from anyone during the election in question nor did he have the authority to do so. He also denied that any Hoshiar Singh had worked as a driver of any jeep used by him during the election. He admitted that he knew Albel Singh Nain but denied having received any chit from him on March 5, 1971. He also denied that any chit from Albel Singh Nain was delivered in his presence by anyone to Nanda Ji or that Nanda Ji had handed over any chit of Albel Singh Nain to the witness on March 5, 1971. He admitted that he knows Dr. Madan Gopal Mittal who is his fellow resident of Narwana. He, however, said that he did not know any Bhag Chand. He also denied having sent any jeep to village Khanauri with any Bhag Chand on March 5, 1971. He admitted that Nanda Ji had gone to Narwana on March 5, 1971, but stated that he had gone there for only about half an hour between about 3 P.M. to 3.30 P.M. On that occasion Nanda Ji was said to have met him near the cinema at Narwana. At that time Nanda Ji was accompanied by Mann Singh, Vakil of Kaithal. He denied that Dr. Madan Gopal Mittal ever met him at the time when Nanda Ji met him at Narwana on March 5, 1971. He in fact went to the length of denying that Nanda Ji had set up any election office at Narwana, but admitted that the workers of Nanda Ji had taken a room which had also been given by a worker for doing the election work of Nanda Ji. In cross-examination by the petitioner Dewan Krishan Kumar stated that his father was also a candidate at the election in question. He also admitted that petrol in connection with Nanda Ji's election work used to be taken from three or four petrol pumps, but it was mostly obtained from Messrs Shadi Ram Bhagwan Dass. He gave the names of drivers of the jeep which were said to be in use for Nanda Ji's election work and added that those drivers had been sent by the Congress Committee along with the jeeps. He admitted that the jeeps which were running for Nanda Ji were displaying the Congress flags and the election symbol allotted to Nanda Ji, but insisted that the entire election propaganda in the constituency was done by means of only those jeeps which had been sent by the Congress Committee and that no truck had been engaged on payment or otherwise for working on March 5, 1971. In reply to the question whether Albel Singh Nain was or was not working for Nanda Ji, Dewan Krishan Kumar

stated that he might have been working in the villages, but he had never gone to Krishan Kumar. He did not even admit that Albel Singh Nain was working for Nanda Ji in village Sancha Khara (Albel Singh Nain's village), but stated that there were different workers for different villages and Albel Singh Nain was one of the workers in village Sancha Khara though the main work was done by Harijans. He denied that any election camp had been set up on behalf of Nanda Ji on the polling day at the various polling stations in the villages. Regarding Madan Gopal Mital he stated that the said candidate had taken a car on hire and he knew this because he had seen Dr Madan Gopal Mital going about in a car with a loud-speaker fixed on it several times in Narwana town. Regarding Nanda Ji's visit to Narwana on March 5, 1971, the witness said that Nanda Ji did not visit any polling booth or polling station or election office which had been set up by his workers on that day. According to Krishan Kumar, Nanda Ji went to the Rest House and did not even know where his office was set up in Narwana by his workers in connection with his election work. He denied having got the chit from Nanda Ji or having kept it with him in his pocket. He also denied having sent Hoshier Singh driver with a jeep to Khanauri. He said that he did not even know Vaid Charanji Lal and it was incorrect that he had ever secured the said Charanji Lal's jeep No. HRG-5385 on hire. He admitted that Albel Singh Nain went to him at his shop (shop of Krishan Kumar) about one or one and a half months after this petition had been filed and asked him whether he had received his chit which he had sent to him from Dhanoda Kalan through Dr. Madan Gopal Mital. According to Krishan Kumar, Albel Singh Nain did not reveal to Krishan Kumar, even on that occasion the contents of the chit, and did not tell him about what had been actually written on the chit in spite of his having questioned Albel Singh Nain on that point. Though he admitted that the talk with Albel Singh Nain at the shop of the witness on the relevant day related to the chit in question, he denied that Albel Singh Nain had told him that he had been summoned in Court in connection with the chit in dispute.

Lengthy cross-examination was directed against this witness to impeach his credit. One set of questions put to him related to some alleged fraud in connection with the encashment by him of a cheque for Rs. 20,000/-. He said that he did not know if it was correct or not that the National Labour and Construction Co-operative Society, Narwana, of which he was the President, had taken any construction work under the Sub-Divisional Officer, P.W.D., Karnal, about 18 months previously. This stand of the witness is hard to believe. He justified this stand on the ground that the Cashier of the Society is authorised to enter into the contracts and it is the Cashier alone who does all the work of the Society. Under the pressure of cross-examination he admitted that the Cashier does submit a report about the entire working of the Society at the end of the year. He was then asked whether in the report submitted by the Cashier to the Managing Committee in respect of the year ending June 30, 1970, or in respect of the year ending June 30, 1971, any mention was made about any work done by the Society under the Sub-Divisional Officer, P.W.D., Karnal. His answer was "the record must be with the Treasurer." Following straight question was then put to the witness :—

"Is it correct that you encashed cheque for Rs. 20,000 alleged to have been drawn by the Sub-Divisional Officer, P.W.D., Karnal, on the Co-operative Bank, Narwana?"

His answer was in the negative. In answer to a further question he denied that any notice was issued to him by the Co-operative Bank, Narwana, to pay back Rs. 20,000 alleged to have been recovered by him by encashing such a cheque. He could not, however, deny that any investigation was or was not pending in connection with the encashment of the abovesaid cheque with the Narwana Police. He said that the Society had no Secretary and the Society can nominate anyone as Secretary at any time. He wanted the Court to believe that a Secretary is nominated by the Society only for a particular meeting. He was then asked whether the Secretary of the Society had no other work. His answer was that whatever work is entrusted by the Managing Committee to the Secretary is done by him. He was further pressed on the question of Sohan Lal being the Secretary of the Society and having been authorised to operate its bank account. Under that pressure he said

that the Managing Committee might have authorised Sohan Lal on some occasion. He admitted that it was possible that he might have encashed a cheque for Rs. 5,000/- drawn on the Society's account, but said that the cheque might or might not have been signed by Sohan Lal on behalf of the Society. In answer to the question whether it was a fact or not that one Daya Kishan, a member of the marriage party which went from Narwana to Jathalana on May 8, 1971, was killed by pistol shot fired from a pistol which belonged to the witness, he stated that it was correct that Daya Kishan was a member of the marriage party and was shot dead, but he could not say whether he was shot from the pistol or from some other fire-arm. He further added that he was not in a position to say whether the suspected pistol was his or not as a criminal case in that regard was pending. He admitted that he possessed a licensed pistol, but in answer to the question whether he carried that pistol with him on the occasion of the marriage party or not he said that he did not want to say anything further in that matter as he is one of the persons accused of the murder of Daya Kishan in connection with that incident. He also admitted that his said licensed pistol is in the possession of the police in connection with the investigation relating to the alleged murder of Daya Kishan. In answer to the question whether it was correct or not that he had been removed from the office of the Secretary to the Sanatan Dharam Kanya Mahavidyala, Narwana, as he had failed to account for a sum of Rs. 2,000/-, he merely stated that he had never had the accounts of that institution with him though he remained the Secretary of the Sanatan Dharam Kanya Mahavidyala for about two years. He admitted that he was a member of the Municipal Committee, Narwana, but denied knowledge of the fact whether it was correct or not that proceedings had been initiated by the Directorate of Local Bodies, Haryana, for the removal of the witness from the membership of the Municipal Committee on the allegation of his having misused his position as a Municipal Commissioner. When he was asked whether it was correct or not that the land on which a house falling to his share was built had been taken from the municipality for the purpose of building a Dharam-shala, his answer was :—

"My father obtained the land. I cannot say how and from where he got it. He must have purchased it from somewhere."

Similar question were put to him about certain alleged defaults committed by him as President of the Block Samiti. He denied that Nanda Ji set up or sponsored any committee or organisation known as Standing Voluntary Help Committee in his capacity as Railway Minister in or about October or November, 1970. He denied that he had ever been a member of any such committee. He was then asked to admit or deny whether in his capacity as a member of such a committee he had been given a free railway pass for travelling to Mughal Sarai. His answer was :—

"I was given a special pass for one return journey from Narwana to Mughal Sarai to attend a social workers' camp at Mughal Sarai."

He, however, added that he did not avail of the pass as he did not go to Mughal Sarai to attend the camp. Though he admitted that he knew Dr R. L. Kapur, he denied having ever gone on pilgrimage to Hardwar, Rishikesh, etc. with him. He was confronted with photograph Exhibit R.W. 7/1 and asked whether the photograph showed him and Dr R. L. Kapur standing near the Lachhman Jhula near Hardwar or not. His answer was—"I cannot say". When he was asked whether the photograph had been taken on April 24, 1970, or not, he again repeated "I cannot say". Asked about the place where the photograph had been taken, he murmured "I am not able to recollect the place where this photograph might have been taken." In that situation he ultimately stated that it was possible that R. L. Kapur and he might have gone on tour as Municipal Commissioners sometime somewhere. It was at that stage that I warned the witness and made a note of the warning in the course of his deposition to the effect that he should be straightforward and asked him to give straight answers to the questions as I felt that he was trying to evade giving correct answers to straightforward questions. From the demeanour of the witness and his character exposed by the various questions put to him I find that he is not worthy of credence.

Then there is the statement of Nanda Ji himself as R.W. 8. In his examination-in-chief he said that he does not know the person named Albel Singh Nain, and that he had not provided any jeep either to Dewan Krishan Kumar or to Albel Singh Nain or to anyone else. He said that to the best of his recollection he reached Narwana between 3 P.M. and 3.30 P.M. on March 5, 1971, though he was not definite about the precise time to a minute. He claimed that he was accompanied during that visit to Narwana by Chaudhry Mann Singh Advocate of Kaithal. He admitted having met Dewan Krishan Kumar on that occasion, but said that he had only a few fleeting moments with him when he kept on sitting in his own car. He said that having met Krishan Kumar on the road-side, he went to the doctor and not having found him there, he proceeded to the Rest House, where he stayed for a few minutes only. When chit Exhibit C.W. 1/1 was shown to him, he said that it was incorrect that such a chit was handed over to him by anyone on March 5, 1971, at Narwana, and added that he was seeing that chit for the first time in his life in the Court room. He said that he did not know any Bhag Chand and that all the allegations relating to the chit were false and baseless. He stated that he did not know any Vaid Charanji Lal, and, therefore, the question of having negotiated for the hiring of a jeep from any such person did not arise. In his cross-examination by the counsel for the petitioner, Nanda Ji stated that he had rural workers in the Narwana Assembly Constituency during the election in question, but he did not remember their names. In reply to the question whether Albel Singh Nain was his worker or not, Nanda Ji said that he had never seen the face of any such man and that he had heard Albel Singh Nain's name for the first time in connection with this case. He did not rule out the possibility of Albel Singh Nain having worked for him, but said that this was not within his knowledge. He was then confronted with his written statement in this case [clause (vii) of sub-paragraph (B) of paragraph 6 of the written statement which clause had been verified by him to be correct to his knowledge] wherein it had been stated by him that Albel Singh Nain had supported the Congress in the last election. In answer he said that the contents of the relevant paragraph of the written statement were correct, but this does not mean that he knew Albel Singh Nain earlier. According to Nanda Ji he had made the relevant averments in his written statement after making enquiries in that connection. He could not say from whom he made those enquiries. He was then asked how he could explain having verified the fact of Albel Singh Nain having supported the Congress in the last election to his knowledge in his written statement when he was stating before the Court that this was not to his personal knowledge, but was based on information collected by him on making enquiries. His answer was :—

"Though I had derived this information from a reliable person during the course of the enquiries made by me, I verified it to be true to my knowledge as it had become my knowledge acquired in that manner by the time I made the verification."

He explained the matter further by saying that his knowledge about these technicalities was not quite perfect, and that his written statement had been prepared during his illness. He could not deny the allegation and said it was possible that Albel Singh Nain might have applied for the Congress ticket for a seat in the Haryana State Legislature in the general elections held in 1967 as well as in the mid-term poll held in 1968. He even denied knowledge of the fact whether Albel Singh Nain was or was not an active worker of the Congress. He was then asked :—

"Is it a fact that Albel Singh Nain was in charge of your election work in the 30 or 35 villages inhabited by members of Nain Gotra?"

His answer was :—

"I do not know if it is so or not, but I had not put him in charge of any such area. My latest information is that he was never put in charge of any such work."

He said that it was untrue from beginning to end that jeep No. HRJ-5385 was ever given to Albel Singh Nain on his behalf by Dewan Krishan Kumar.

From a careful appraisal of the evidence led by the parties on the issues under consideration, to which detailed reference has been made above, I consider it safe to conclude :—

(i) Albel Singh Nain was an active worker and supporter of respondent No. 1. There is no cogent and reliable "evidence to show that either Nanda Ji had appointed him as such or Dewan Krishan Kumar had made him an active worker. The fact, however, remains that he was working in the interest of Nanda Ji in the election in question in the Narwana Assembly Constituency. It cannot be said that he was looking after the entire work of polling in the Narwana Assembly Constituency on behalf of respondent No. 1, but it is certain that he was going around some polling stations on the polling day to watch and find out the polling position in the interest of Nanda Ji;

(ii) Albel Singh Nain who wrote the chit Exhibit C.W. 1/1 in the forenoon of March 5, 1971, the polling day, while watching the interest of Nanda Ji outside the polling station at Dhanoda Kalan was previously aware of the fact that some electors of Dhanoda Kalan used to do saltpetre work outside the constituency at Khanauri and they wanted that arrangement for their transport should be made if somebody wanted them to cast their votes at Dhanoda. That is why he particularly enquired about those votes having or not having been cast when he was outside the polling station at Dhanoda. On coming to know that those voters had not come, he wrote the chit and whether he intended it to be delivered to Krishan Kumar or to Nanda Ji himself, the fact remains that he addressed it directly to Nanda Ji;

(iii) When Albel Singh Nain wrote the chit Exhibit C.W. 1/1, he intended it to be delivered to Nanda Ji, otherwise "he would not have addressed it to him. At the same time his first impression disclosed as C.W. 1 without seeing the chit was that he had addressed it to Dewan Krishan Kumar. This shows that while sending the chit he might have told the person to whom he handed over the chit that it may be delivered either to Nanda Ji or to Dewan Krishan Kumar. The chit having been addressed to Nanda Ji, should in the normal course have reached him;

(iv) The evidence produced before me about the chit having been delivered to Nanda Ji is not at all convincing. I have already held while discussing the testimony of Bhag Chand and Hoshier Singh that it is not safe to rely on their depositions. Those are the only two witnesses of the alleged delivery of the chit Exhibit C.W.1/1 to Nanda Ji. Nanda Ji has categorically denied the receipt of the chit. I have no reason to disbelieve him. Moreover, a seasoned politician and an experienced election fighter as he is, Nanda Ji would never have allowed the chit to go astray if it had once fallen in his hands. The circumstances of the case show that though the chit was primarily intended to be delivered to him, it somehow never reached the hands of Nanda Ji;

(v) Though the possibility of the chit reaching the hands of Dewan Krishan Kumar cannot be excluded, it is clear that the direction given in the chit was not followed, i.e., no truck for bringing the voters from Khanauri to Dhanoda was arranged by Nanda Ji or by Dewan Krishan Kumar.

"Dewan Krishan Kumar.

(vi) The story of jeep No. HRJ-5385 driven by Hoshier Singh having been deputed by Dewan Krishan Kumar to go with Bhag Chand to bring the voters appears to me to be somewhat doubtful. The jeep is said to have been obtained by Dewan Krishan Kumar on behalf of Nanda Ji from Vaid Charanji Lal. The petitioner did not dare to examine Vaid Charanji Lal on oath in that connection at all. The mere production of the document relating to the jeep having been given to Vaid Charanji Lal under some agreement does not further prove that Vaid Charanji Lal gave it to Dewan Krishan Kumar or to anyone else for use on behalf of Nanda Ji. Nor has any other independent evidence been led to show that jeep HRJ-5385 was really being used for the election work of Nanda Ji.

(vii) Albel Singh Nain has stated that he had asked for a truck being sent as the number of voters expected to be brought from Khanauri was large and could not have been accommodated in a car or a jeep. This must have been known to Dewan Krishan Kumar also. He could not have, therefore, sent a jeep for bringing 15 or 17 persons from Khanauri to Dhanoda. Moreover, if under compelling circumstances a jeep had to be sent instead of a truck to bring a large number of voters, Dewan Krishan Kumar would not have unnecessarily sent Bhag Chand with the jeep but would have allowed Hoshiar Singh alone to take it to Khanauri. Bhag Chand has been introduced into the story merely to become a witness to the actual bringing of the voters;

(viii) Not having been able to rely on the oral testimony of Bhag Chand and Hoshiar Singh, and there being no other evidence of the actual bringing of Mehar Chand and his sons from Khanauri to Dhanoda, it is not possible for me to hold on the record before me that Mehar Chand, Sawan, Dhan Singh and Teka were actually transported in any jeep working for Nanda Ji from Khanauri to Dhanoda Kalan on the eventful day.

My findings on issues Nos. 4 to 7 are, therefore, as given above. Even if all the relevant issues (issues Nos. 4 to 7) had been proved by the petitioner, he would still have failed to prove the commission of any corrupt practice by respondent No. 1 as admittedly no witness on behalf of the petitioner has deposed that Mehar Chand and his sons were carried by the jeep in question from Khanauri to Dhanoda "free of charge". The burden of proving each one of the ingredients of the relevant corrupt practice is on the petitioner. It has been held in *Bankebehari Das v. Chittaranjan Naik*, A.I.R. 1963 Orissa 83, that in the case of allegations of corrupt practice, the burden of proof is on the petitioner, it never shifts and the standard of proof to discharge this burden is the same as in Criminal cases, that is, the matter requiring proof should be established beyond any reasonable doubt and in case of doubt the benefit should go to the returned candidate. The requirement of a corrupt practice being established beyond reasonable doubt has also been affirmed by their Lordships of the Supreme Court in *D. P. Mishra v. Kamal Narayan Sharma and another*, A. I. R. 1970 Supreme Court 1477. In *Jashbhai Chunibhai Patel v. Anverbeg A. Mirza*, A.I.R. 1969 Supreme Court 586, Hidayatullah, C. J. (as he then was), speaking for the Court, held that section 123(5) of the Act requires three things, namely, (i) hiring or procuring of a vehicle; (ii) by a candidate or his agent etc. and (iii) for the free conveyance of an elector. It was observed that the requirement of law is that in addition to proving the hiring or procuring of vehicle and the carriage of electors to and from any polling station "it should also be proved that the electors used the vehicle free of cost" and that "the burden is on the election petitioner to prove this fact." When this aspect of the case was put to Mr. S.P. Goyal, learned counsel for the petitioner, he could not point out to a single sentence in the entire evidence led in this case by which the petitioner could even argue to have discharged the burden of proving the third essential ingredient of the corrupt practice defined in section 123(5) of the Act. Chaudhry Backhtawar Singh argued that even the allegation contained in paragraph 6(B)(vii) of the election petition does not disclose any cause of action as it is not alleged therein that the jeep in question had been hired or procured for "free conveyance of electors." The fact remains that in the opening part of sub-paragraph (B) of paragraph 6 of the election petition, it has been specifically stated that respondent No. 1 (his agents and workers with the consent and connivance of respondent No. 1) committed the corrupt practice of hiring and procuring on payment or otherwise of the vehicles and their use for the free conveyance of the electors to the polling stations in the Kaithal and Pehowa assembly constituencies. Thereafter particulars of separate sets of vehicles are given in clauses (1) to (vi) of sub-paragraph (B) of paragraph 6 of the petition. When this objection was raised before me in connection with the framing of issue No. 3 (which arose under paragraph 6(B)(i) to (v) of the election petition), it was repelled by me by my detailed order, dated August 16, 1971, Nanda Ji preferred an appeal against that order by special leave of their Lordships of the Supreme Court, but ultimately withdrew the same resulting in the dismissal thereof. I find no reason to review that decision of mine.

Whatever is said in that decision relating to issue No. 3 also covers issues Nos. 4 to 7 from this aspect of the case. It is, however, a matter of regret that in spite of so much of controversy having been raged at the earliest stage of framing issues about the necessity of alleging and proving the third ingredient of the corrupt practice defined in sub-section (5) of section 123 of the Act, not an iota of evidence has been led by the petitioner to prove that allegation. In spite of some of my findings on issues Nos. 4 to 7 recorded above, I, therefore, held that Nanda Ji has not committed any corrupt practice defined in section 123(5) of the Act.

Issue No. 8.

This is the only other issue on which lengthy arguments have been addressed by the counsel for the parties. The petitioner's plea which has given rise to this issue is contained in the following words in paragraph 6(C) of the petition:

"That on January 9, 1971, Messrs Daya Ram Brij Lal, Messrs Ramji Lal Lattu Ram, Messrs Bansi Lal Padam Sarup, Messrs Banwari Lal Dalip Chand and some other Commission Agents of Narwana Mandi made a written representation to respondent No. 1 at Narwana against the conduct of Shri Ram Pher Sharma, Chief Goods Clerk, and Amrit Lal, Goods Clerk, of the Northern Railway, posted at Narwana Railway Station and requested for their immediate transfers. No action, however, was taken on the said representation till January 23, 1971. But again some persons, including Shri Om Parkash son of Shri Chhet Ram of Messrs Shiv Dayal Singh Sat Pal met Shri K. K. Dewan and asked him to get the transfers made of the said Goods Clerks. The said persons also assured Shri K. K. Dewan that if the transfer of those Goods Clerks was effected, they would all vote and support respondent No. 1. Shri K. K. Dewan accompanied them to respondent No. 1 in the office of the Market Committee, Narwana, where he was holding his workers' meeting. In the said meeting, Shri Om Parkash and other persons again offered to vote and support respondent No. 1 if the above-mentioned Goods Clerks were got transferred from Railway Station Narwana immediately. Respondent No. 1 assured Shri Om Parkash and the other persons that he would immediately get those persons transferred provided they promised to vote and support him in the coming elections, to which they agreed. The said Goods Clerks were sent on compulsory leave with effect from February 5, 1971, up to March 6, 1971. Respondent No. 1 thus committed the corrupt practice of undue influence by interfering with the free exercise of electoral right by misusing his power as Union Railway Minister."

In reply to the above-quoted allegation, Nanda Ji has stated in the corresponding paragraph of his written statement as below:—

"In reply to sub-paragraph (C) it is submitted that a representation was received by the answering respondent which was forwarded in ordinary course to the competent authority to deal in such matters. What happened subsequently to the said representation and what action was taken by the competent authorities is not in the knowledge of the answering respondent. Therefore, the allegation is not admitted. The answering respondent did attend and address several meetings in the Marketing Committee Office in connection with the election campaign. It is correct that some complaints were also made against the goods clerks but the answering respondent emphatically declared in those meetings that irrespective of the consequences of the election the answering respondent will not at any cost interfere with the administration under him and he totally refused to take any action in the matter. Presumably it had annoyed some persons in the meeting. No assurances were given to any of the persons alleged in the petition. It is incorrect that Shri K. K. Dewan met the answering respondent in the office of the Market Committee, Narwana, in the company of Shri Om Parkash and others. No such offers were made by Shri Om Parkash and the other per-

sons as alleged in this sub-paragraph nor any such assurance were given by the answering *respondent that he will get the goods clerks transferred from Narwana nor any such promise as alleged was ever taken by the answering respondent. The answering respondent has no knowledge of the said goods clerks being sent on compulsory leave. In so far as the answering respondent has been able to ascertain the said goods clerks were not sent on compulsory leave but they applied for leave to the competent authority and did proceed on leave during that period. The answering respondent had no hand either in the grant of leave or otherwise in their proceeding on leave. The said goods clerks are still there and working at Narwana. The answering respondent No. 1 was neither guilty of any corrupt practice nor of undue influence with the free exercise of electoral rights nor the answering respondent misused his powers as the Union Railway Minister in any manner whatsoever. The allegation is denied."

The factual allegations can firstly be divided into two parts, i.e. about the alleged happening on January 9, 1971, on the one hand, and those of January 23, 1971, on the other. It may be stated at the outset that no evidence whatever has been led about any such meeting with Nanda Ji or approach by any Commission Agents of Narwana Mandi to him on January 9, 1971. Counsel for the petitioner submitted that the date given in the petition was wrong and that in fact the written representation was given to Nanda Ji on January 12, 1971, and not January 9, 1971. According to respondent No. 1 the written representation was handed over to him neither on January 9, nor on January 12, but on January 16, 1971. There has been a good deal of controversy on the question of the date (of the handing over of the written representation to Nanda Ji) in the course of evidence. I am inclined to think that the precise allegation made in the petition about the representation having been made and given on January 9, 1971, having been given up by the petitioner, it is not open to him to substitute therefor at the evidence stage an allegation of the same things having happened on January 12, 1971. As the same time it does not appear to be material as to whether the representation was given on January 9 or January 12 or January 16, 1971, so long as it is not disputed that the representation Exhibit P. W. 12/1 was given to Nanda Ji on behalf of some Commission Agents. The heading of the representation is—"Complaint against Shri Ram Pher Sharma Goods Clerk (C.G.C.) and Shri Amrit Lal Gupta (G.C.), Railway Station Narwana." Translated into English, the body of the representation signed on behalf of 23 Commission Agents reads as follows:—

"It is submitted that Food Grain dealers and Timber Merchants of Narwana are very much fed up with both the clerks who harass them unnecessarily. They should, therefore, be transferred from this station. In case they are not transferred from this station, the atmosphere of the Goods Godown will further deteriorate. You are, therefore, again requested that they may be immediately transferred from this place. We shall feel highly grateful to you for this act. Dated the 12th January, 1971."

Order Exhibit P. W. 12/1-A was endorsed thereon by Nanda Ji in his handwriting on January 16, 1972, in the following words:—

"There is wide spread complaint against the persons mentioned in this representation. Suitable action may be taken after due inquiry.

G. L. NANDA
16/1/"

It is significant that the petitioner has nowhere alleged that any such offer or promise was made by Nanda Ji on January 12, 1971, which would bring the action within the corrupt practice defined in section 123(2) of the Act. The happenings of January 12, 1971, or January 16, 1971, as the case may be, are at best introductory to the real incident which is alleged to have taken place on January 23, 1971. The only allegation in paragraph 6(C) of the petition which can amount to a corrupt practice consists of the alleged assurance given by Nanda Ji on January 23, 1971, to Shri Om Parkash and some other persons that Nanda Ji would immediately get Ram Pher Sharma and Amrit Lal transferred provided Om Parkash and others promised to note for him and support

him in the election in dispute, to which Om Parkash etc. agreed.

The evidence led by the petitioner in support of the allegation relating to the corrupt practice in question consists of the statements of P.W. 2 Nihal Chand, P. W. 3 Krishan Lal Gandhi, P. W. 12 Om Parkash and P. W. 14 Dr. R. L. Kapur, besides the statement of the petitioner himself. The evidence produced by Nanda Ji in rebuttal of the allegations giving rise to issue No. 8 consists of the depositions of R.W. 1 G. R. Sholapurkar, R. W. 7 Dewan Krishan Kumar and the statement of respondent No. 1 himself as R. W. 8. Clerk of the office of the Divisional Superintendent, Northern Railway, New Delhi, had been summoned by the petitioner to produce the original representation, dated January 9, 1971, from Messrs Daya Ram Brij Lal and others of Narwana regarding the transfer of Ram Pher Sharma and Amrit Lal. Nihal Chand, Senior Clerk of that office, appeared as P. W. 2, and stated that no such document had been received in his office, but representation, dated January 12, 1971 (ultimately admitted into evidence as Exhibit P. W. 12/1) was received from the above-mentioned party in relation to the transfer of those very persons. He accordingly produced the document and proved the manuscript endorsement Exhibit P.W. 12/1-A in English on the top left hand corner of the first page of the representation to be in the handwriting of Nanda Ji and to have been signed by him. He could not, however, say if Ram Pher Sharma and Amrit Lal were still posted at Narwana or not. Nor did he know whether they had at all been transferred from that station or not.

P.W. 3 Krishan Lal Gandhi is the Lower Division Clerk of the office of the Divisional Superintendent, Northern Railway, New Delhi. He produced the leave accounts of Ram Pher Sharma and Amrit Lal showing that the former was on leave from February 4 to March 5, 1971, and the latter was on leave from February 1 to March 2, 1971. Some questions were put to the witness by the counsel for the petitioner to show that the sheet on which the relevant leave account of Ram Pher Sharma is entered is new when compared with the sheets on which his leave account for the earlier period is entered. The witness did not deny that fact, but explained that this was due to the introduction of new forms for maintaining leave account with effect from January 1, 1966, which is evident from the printed note in the heading of the form of leave account wherein it is stated "Introduced vide Railway Board's letter No. ES-62/LE 9, dated 13-12-1965." On seeing the original application for leave submitted by Ram Pher Sharma the witness stated that Ram Pher Sharma had submitted his application on plain paper and stated that he had asked for leave for one month on average pay, from February 1 to February 28, 1971, on account of some domestic work, and that the leave applied for was sanctioned, but he availed of it from February 4, 1971 to March 5, 1971. Similarly on referring to the application of Amrit Lal, dated January 29, 1971, the witness stated that he had asked for thirty days leave on average pay with effect from February 1, 1971, and had left column 8 (grounds on which leave is required) blank. He stated on the basis of the entries in the leave account that Amrit Lal rejoined duty on March 3, 1971.

Whereas the witness firstly stated in his examination-in-chief that all the entries in the leave accounts of the two persons starting from January 1, 1966, were in his hand, he backed out of that position when a Court question was put to him on observing that some of the entries after January 1, 1966, were in different handwritings. He then admitted that all the entries from 1966 onwards in the leave account of Ram Pher Sharma were not in his handwriting, but were in fact in the handwriting of four different persons. What is, however, material is that he deposed that the entries in Sharma's leave account relating to 1971 including entries relating to the leave period in question are not in his handwriting, but in the handwriting of one Atam Singh, Upper Division Clerk. He also admitted that those entries had not been made in the leave account in his presence. Similarly he admitted in answer to a Court question that the relevant entries in the leave account of Amrit Lal were also not in his handwriting, but in the handwriting of Atam Singh aforesaid. Whether the entries in the respective leave accounts of the two Goods Clerks have or have not been properly proved, is wholly immaterial in the circumstances of this case as it is not disputed that the two Goods Clerks did proceed on leave during almost the same period as indicated by the witness (with minor variations), and it cannot

be denied that they must have applied for leave even if the leave was forced on them and that entries for the leave availed of by them had to be and must have been made in their respective leave accounts.

Om Parkash P.W. 12 is the direct witness of the alleged incident on January 12 and January 23, 1971. The firm Shiv Dayal Singh Satya Paul is represented by this witness. This witness is not even a signatory to the representation. No witness belonging to any of the other 22 firms on whose behalf the representation was submitted has been produced. Om Parkash claims to be the Manager of the Kutch Pucca Arhtis Association, Narwana. He said that the complaint Exhibit P.W. 12/1 was submitted by some members of his association to Nanda Ji on or about the 10th or 12th of January, 1971. In answer to the question as to why other Commission Agents and the witness had not signed the representation, P.W. 12 stated that Nanda Ji had gone to the Mandi and the complaint was handed over to him in whatever condition it was at that time. The witness admitted that no action was taken on the complaint for ten or twelve days, and that Nanda Ji had handed over the complaint to his Personal Assistant and had merely said that he would look into the matter. It was on January 23, 1971, when Nanda Ji admittedly went again to the Mandi that the shopkeepers including Om Parkash are alleged to have elicited a promise from Nanda Ji. According to the witness Dewan Krishan Kumar was outside the committee room when he and others reached that place. It is there that Om Parkash and his companions claim to have met Dewan Krishan Kumar is alleged to have taken the witness and had happened to their earlier written complaint to transfer the two officials. According to Om Parkash P.W. it were the merchants who offered to support him if Nanda Ji could get those two officials transferred. At that stage Dewan Krishan Kumar is alleged to have taken the witness and his companions inside the room where the meeting was being held, and on Nanda Ji being told by Krishan Kumar as to what had happened, Nanda Ji asked the witness and his companions if they would really help him and give him votes if he did their work. On the merchants promising to do so, Nanda Ji is alleged to have told the witness and his companions that they should work for him and their work would be done. Towards the end of his examination-in-chief, the witness stated that ten or twelve or fifteen days later (later than January 23, 1971), Ram Pher Sharma and Amrit Lal left Narwana and were succeeded by two other Clerks, and that in lieu of the promise made by Nanda Ji, the witness and his companions helped him in his election. Though the witness claims to have been an active supporter of Nanda Ji, it seems to be difficult to believe that statement. He himself has admitted that he had never worked for the Congress candidates earlier than in the election in question. He really went to the length of admitting that he never worked for any political party before this election. According to him he had been persuaded to help the Congress candidate only on account of the promise of help given by Nanda Ji. The more the emphasis laid by the witness on this aspect of the matter, the more suspicious I became of his veracity. Asked about the nature of the complaint against the two Railway Clerks, the witness stated that the Goods Clerks did not co-operate with the merchants at the time of loading and unloading as they used to ask the merchants stack their outgoing goods before the same were loaded into the wagons so that the same could be checked in the stacks before loading. It is not the case of the petitioner or of P.W. 12 that what the Goods Clerks were complained of doing was contrary to the rules. Nor was it suggested that the two Clerks were in any manner corrupt. The argument was that the procedure adopted by the two Goods Clerks caused a good deal of inconvenience to the merchants, and that the normal procedure for loading which is followed by railway officials who co-operate with the dealers is that the bags are stacked in the wagons in such a manner as they can be counted after each row is stacked and one railway official goes on checking them at the time of loading. Om Parkash P.W. 12 admitted that Ram Pher Sharma and Amrit Lal are still posted at Narwana, but added that they did not live in Narwana during the period of the election though he did not know where they had gone. He himself stated that the two Clerks had left Narwana round about the 4th to 6th of February, 1971, but claimed that they had returned between the 6th and 8th of March, 1971. He could not, however, deny that one of them had actually returned to Narwana on the 2nd or 3rd of March, 1971.

As already stated, the petitioner himself did not have personal knowledge of any of these matters. Reference to his statement on this aspect of the case is, therefore, unnecessary.

G. R. Sholapurkar, Divisional Commercial Superintendent, Northern Railway, Delhi, has been produced as R.W. 1 on behalf of Nanda Ji to prove that the original complaint Exhibit P.W. 12/1 had been handed over by the merchants of Narwana to Nanda Ji on January 15, 1971, when he had accompanied Nanda Ji to Narwana. He stated that he had stayed outside the room in which the meeting was being held in some market at Narwana, and did not go inside that room. The witness also proved endorsement Exhibit P.W. 12/1-A made by Nanda Ji on that representation. According to R.W. 1 Nanda Ji refused to do anything in the matter till he made enquiries, and Nanda Ji, therefore, handed over the complaint to the witness for getting further investigation made by the relevant staff. He emphatically denied that Ram Pher Sharma and Amrit Lal had been transferred from Narwana in pursuance of that complaint. He stated that both the Clerks were still posted at Narwana. It is somewhat strange that he claimed that he had been officially deputed by the Divisional Superintendent, Northern Railway, to accompany the contesting respondent, particularly when he does not deny that respondent No. 1 was at that time on his election tour. According to him the complaint was handed over to Nanda Ji when he had come out of the room after the meeting. The witness claims to have been accompanied at that time by Mr. Bhatt, the Private Secretary of Nanda Ji. The witness could not state as to what was the purpose of his visit to Narwana without referring to his T.A. bill. He, however, knew that both the Clerks in question had gone on earned leave from the beginning of February, 1971, and that they had taken about one month's leave. He could not say as to when the two Clerks actually resumed their duty after the expiry of their leave. He specifically denied that the two officials had been sent out on forced leave under the orders of Nanda Ji. He is not a witness to the occurrence of January 23, 1971. Even if, therefore, he is believed in all that he has said, his deposition merely relates to the happening of January 16, 1971, which is described by the petitioner and his witnesses to be a happening of January 12, 1971.

Dewan Krishan Kumar R.W. 7, who was helping Nanda Ji in his election work, admitted that many persons of the Mandi went to the Market Committee office where Nanda Ji had gone on the 22nd or 23rd of January, 1971, but alleged that he could not say whether it was correct or not that Om Parkash was one of the persons of the Mandi who met Nanda Ji though he claimed that he knew Om Parkash Arya. According to Dewan Krishan Kumar the meeting held in the Mandi on January 23, 1971, was a workers meeting and the Mandiwalas had met the witness outside the room where the meeting was being held, and told the witness that they had some complaints against the Goods Clerks. He, however, stated that he declined the request of the Mandiwalas to convey their complaint to Nanda Ji and did not in fact convey the same till Nanda Ji himself came out and the Mandiwalas talked to him. On that occasion Nanda Ji is said to have told the Mandiwalas that he was not prepared to entertain any such complaint at that juncture whether he won or lost the election. Dewan Krishan Kumar wants the Court to believe that when Nanda Ji gave that reply, the Mandiwalas shouted slogans of Nanda Ji *Murdabad* and Nanda Ji *"Jao"*. He emphasised that Nanda Ji did not hold out any promise to the Mandiwalas or to anyone else, and that in fact Nanda Ji had frankly refused to interfere in the matter. I have already referred to the evidence relating to the character of this witness and I do not consider it safe to rely on his testimony either to prove or disprove anything.

But I have no reason to disbelieve Nanda Ji himself who categorically denied (as R.W. 8) having made any such promise as alleged by the petitioner. He was subjected to lengthy and searching cross-examination on this aspect of the case. In my opinion he could not be shaken in the cross-examination so far as the material broad aspects of the case are concerned. None of the Mandiwalas interested in the matter who had signed the representation has been produced. The representation is not signed by Om Parkash P.W. The order on the written complaint of the Mandiwalas is not for the transfer of the two Clerks, nor for sending them out on leave. The mere fact that no reason for going on leave is mentioned in the application of Amrit Lal does not show that he was forced to go on leave. None of the two Goods Clerks has

been produced by the petitioner. None of the merchants who had real grievance against the Goods Clerks has appeared as a witness. The fact remains that both of them had applied for leave with effect from February 1, 1971, but proceeded on leave from different dates. Though there is no denial of the actual absence of the two Goods Clerks from the scene of the election (in Narwana) during the major part of the election days, there is nothing to suggest that this happened on account of any order or direction of Nanda Ji. The mere fact that Nanda Ji claims to have rebuked the people on January 23, 1971, when this subject was talked in the meeting does not appear to me to help the petitioner. It is possible that the first visit of Nanda Ji was on January 12, 1971, and not on January 16, 1971, and the later date is being mentioned by Nandaji merely because of the date of the order Exhibit P.W. 12/1-A, but as already stated, that makes no difference to the petitioner's case. Great emphasis has been laid by the counsel for the petitioner on the statement of Nanda Ji to the effect that one of the themes of discussion in the meeting, dated January 23, 1971, was about the request of some people for the transfer of the two Goods Clerks from Narwana. But that does not by itself show that any such promise was made by Nanda Ji as is alleged by the petitioner. The corrupt practice alleged in this behalf is of bribery, that is to say the promise by Nanda Ji to transfer the two Goods Clerks in consideration of the Mandiwalas voting for him and supporting him. Not only is there no cogent oral evidence to prove any such promise having been made by Nanda Ji, but on the contrary the documentary evidence produced before me belies the possibility of any such promise been made by Nanda Ji. His merely receiving the written complaint or passing the order Exhibit P.W. 12/1-A on it or hearing any further complaint in the same matter would not amount to any kind of corrupt practice. In the words of A. N. Ray, J. in *Bhanu Kumar Shastri v. Mohan Lal Sukhadia and others*, 1971(1) Supreme Court Cases 370, the provisions of the Act are principally intended to preserve the purity of elections, but at the same time these provisions should not be subverted for the impure purpose of maligning candidates who happen to be in the Government on the eve of the elections. Similarly in *T. N. Angami v. Smt. Ravolueu*, 1971(1) Supreme Court Cases 592, their Lordships of the Supreme Court observed that it would not be unnatural for people to make request to the Chief Minister for contributions towards public cause and it would be reasonable for the Chief Minister to redress the grievances of the people. Same applies to the Railway Minister in regard to the administration of the State Railways. Even if it was proved that Nanda Ji had transferred the two Goods Clerks, it would not in my opinion have amounted to a corrupt practice as there is nothing to show that the transfer of the Goods Clerks was in the interest of only the few Mandiwalas who approached him, but would in the circumstances not have been in the interest of the traders of Narwana as a whole. The Railway Minister did not cease to hold his office merely because he was standing at the election. It was his duty to redress the lawful grievances of the public concerned with the railway administration. It would amount to a corrupt practice only if it was proved that he struck a deal with some voters and passed some order as Railway Minister in pursuance of that deal. There is no such evidence in the instant case. The observations of Hidayatullah, J. (as he then was) speaking for the Court in *Om Prabha Jain v. Abnash Chand and another*, (1968) 3 Supreme Court Reports 111, to the effect that the action of the returned candidate could not be construed against her as it was taken by her in ordinary course of her duties as Minister, and there was no evidence that it was directly or indirectly part of a bargain with the voters apply aptly to the present case insofar as the entertainment of the written complaint by Nanda Ji is concerned. On a careful appraisal of the entries evidence led on this issue I hold that it has not been proved that Ram Pher Sharma and Amrit Lal were sent out on compulsory leave. It has also been disproved that each one of them went on leave from February 5 to March 6, 1971. I am satisfied that they did not proceed on leave under orders of respondent No. 1. It has not been proved that respondent No. 1 struck any bargain with the persons named in paragraph 6 (C) of the election petition. Nor am I satisfied that Nanda Ji gave any such promise to Mandiwalas as is alleged to have been given by him. An experienced, educated and seasoned politician like him would not normally take any such risk, and that presumption has not been rebutted in this case. I have, therefore, no hesitation in deciding issue No. 8 in favour of respondent No. 1.

Issue No. 9.

As already stated the petitioner has given up the pleas which gave rise to the various items of this issue. Issue No. 9 is, therefore, decided against the petitioner.

Issues Nos. 10 and 11.

No evidence has been led on these issues. Issues Nos. 10 and 11 are, therefore, held against the petitioner.

Issues Nos. 12 and 13.

The learned counsel for the petitioner did not press these issues and stated that he is unable to do so unless his application under rule 93 of the Conduct of Election Rules, 1961, is allowed. On May 26, 1971, Mr. S. P. Goyal stated before me that his client wanted to make an application under rule 93 of the 1961 Rules for inspection of ballot papers and marked copies of the electoral rolls etc., in connection with the allegations made in paragraph 6(E) of the election petition (which allegations have given rise to these issues). His prayer was noticed in my order of that date wherein I directed that if the petitioner wanted to make any such application, he should do so within fifteen days from May-26, 1971, after furnishing advance copy of the same to the counsel or respondent No. 1, who could file his written objections to the same on or before July 16, 1971. No such application was filed within 15 days, but summer vacation of the Court had begun before the expiry of the aforesaid period. The Court reopened after the vacation on July 12, 1971. No application under rule 93 was filed on the reopening day. It was on July 15, 1971, that the petitioner submitted C.M. 8-E of 1971, wherein he prayed that in order to substantiate the allegations in question, he may be permitted to inspect the used and unused ballot papers and the marked copies of the electoral rolls of the Kaithal Parliamentary Constituency. When the application came up before Mahajan, J., on July 16, 1971, the learned Judge ordered that it should remain pending and would be disposed of at the proper time. His lordship further directed as below :—

"It will be the duty of the learned counsel for the petitioner to press for its decision at the proper time."

Counsel for respondent No. 1 was allowed time to put in a reply to the application. Reply, dated July 28, 1971, was then filed on behalf of Nanda Ji. In his written reply he took objection to the application under rule 93 having been filed beyond the time allowed by me. He also stated that the petitioner had not made out any case for the inspection of the ballot papers and other relevant documents. Thereafter neither the petitioner nor his counsel even pressed the said application before me. Under order of Mahajan, J., dated July 16, 1971, it was his duty to do so if he wanted to claim any relief on the basis of that application. When the trial of issue No. 3 had been stayed by the Supreme Court, and part of the evidence of the petitioner on the other issues was still being led on September 20, 1971, a suggestion was given by Mr. S. P. Goyal, learned counsel for the petitioner, that the entire trial of the case may be postponed as a large number of his witnesses had to be examined on issue No. 3, and most of his remaining witnesses had to depose on other issues as well as on issue No. 3. I, however, ordered that the trial on all other issues should proceed. Even at that stage no prayer was made for passing any order on the application under rule 93 of the 1961 rules. On November 4, 1971, evidence on all issues other than issue No. 3 was closed by the parties. Counsel for both sides requested that I should hear arguments in the case only after the disposal of the appeal by the Supreme Court. Trial of these issues had not been stayed. Still C.M. 8-E of 1971, was not pressed and no prayer was made to summon any other evidence in the case.

After the disposal of the appeal by the Supreme Court, the parties appeared before me on May 12, 1972. Learned counsel for the petitioner stated on that day that he did not want to press the pleas which had given rise to issue No. 3. Counsel for the parties wanted an adjournment of the case for submitting their respective arguments as *they were not ready on that day. It was specifically stated in my order of that day (dictated in the presence of the counsel for the parties) that they had already closed their case on their issues. Again on July 17, 1972, Inder Singh petitioner himself made a statement to the effect that issues Nos. 3 and 9 may be decided in favour of the respondent as he had led no evidence on

issue No. 3 and as he had been convinced after perusal of the evidence led on issue No. 9 that he had not been able to prove these allegations. Even then no prayer was made to press the application for inspection.

Faced with this situation, Mr. Goyal submitted that on the evidence led by him about the alleged irregularities, he cannot possibly get any relief unless he could be permitted to revive and press his application under rule 93 of the 1961 Rules. The application having been practically abandoned for more than six months, I could not see my way to grant the oral prayer of the petitioner for allowing the inspection. Even otherwise no one is entitled to claim inspection of the prohibited election records as a matter of course. On the vague allegations made in the petition and in the application under rule 93, no *prima facie* case for allowing such inspection is, in my opinion, made out. In these circumstances, I have no hesitation in dismissing C.M. 8-E of 1971, not only because it has not been pressed at the proper time, but also because I am not inclined to grant it on merits. As conceded by counsel, he cannot possibly succeed on issues Nos. 12 and 13 without first fishing out evidence by inspection of the prohibited election records. These issues must, therefore, also be decided against the petitioner.

Issue No. 14.

Mr. S. P. Goyal gave up the plea giving rise to issue No. 14 at the time of arguments and stated that he is unable to support the allegation that the amendment of rule 56 by the Conduct of Election (Second Amendment) Rules, 1971, is either unauthorised or invalid. This issue is also, therefore, decided against the petitioner.

Issue No. 15.

As a result of my findings on issues Nos. 1 to 14, this petition fails and is dismissed with costs. Counsel's fee Rs. 1,000/-.

S.O. 5344.—In pursuance of Clause (b) of Sub-Section (2) of Section 116C of the Representation of the People Act, 1951, the Election Commission hereby publishes the Judgement dated the 9th November, 1972 of the Supreme Court of India in Civil Appeal No. 1015 of 1972 against the Judgement, dated the 8th March, 1972 of the High Court of Judicature at Patna in Election Petition No. 2 of 1971.

[No. 82/BR/2/71]

By Order,

V. NAGASUBRAMANIAN, Secy.

IN THE SUPREME COURT OF INDIA
CIVIL APPELLATE JURISDICTION

Civil Appeal No. 1015 of 1972

Smt. Sumitra Devi

Appellant

VERSUS

Shri Sheo Shanker

Prasad Yadav & Others

Respondents

JUDGMENT

Mathew, J.

This is an appeal under s.116-A of the Representation of the People Act 1951, from a judgment of the High Court of Patna, by which the High Court dismissed the petition of the appellant for setting aside the election of Respondent No. 1 as a Member of Parliament from 31-Khagaria Parliamentary Constituency, in the election held in March, 1971, and to declare the appellant as the duly elected member from the aforesaid constituency.

According to the election programme, the nominations were to be filed from January 27, 1971 to February 3, 1971; they were to be scrutinised on February 4, 1971; poll, if necessary was to be taken on March 5, 1971; the ballot papers were to be counted on March 10, 1971 and the result of the election was to be declared on March 11, 1971. It was in pursuance to this programme that the appellant and Respondent No. 1, along with 10 other candidates, filed their nomination papers. Two of the candidates subsequently withdrew and the contest was among the remaining candidates. The poll was held on March, 5, 1971. The respondent No. 1 obtained 73,594 votes and the appellant, 73,046. So, Respondent No. 1 was declared elected by the Returning Officer.

The appellant challenged the election of respondent No. 1 in her petition on the following allegations: There was no proper lighting arrangement in the segments where the votes were counted and there were frequent failures of electricity. Taking advantage of this, the counting staff showed partiality to respondent No. 1 by counting the votes cast in favour of the other candidates for respondent No. 1. Several undesirable persons who had been working for respondent No. 1 managed to enter the counting compartments and created confusion. They also manoeuvred the counting staff and thereby illegally managed to increase the number of votes in favour of respondent No. 1. Several ballot papers which had clear seal on the symbol of the appellant were illegally rejected. The counting staff took out several ballot papers of the appellant and mixed them with doubtful ballot papers and, without paying any heed to the objections raised by the counting agents of the appellant, rejected them mechanically by putting the rejection seal on their back. A large number of ballot papers which should have been rejected were counted in favour of respondent No. 1. Ballot papers having seal on more than one symbol or seal on the shaded area or seal on the back or having no seal or having no official seal on the symbol of respondent No. 1 were illegally counted in favour of respondent No. 1. A large number of ballot papers bearing no signature of the Presiding Officer or identifying mark on the back were counted in favour of respondent No. 1 merely because they had been placed in the ballot boxes illegally by those controlling the polling booths. Several bundles having less than 50 ballot papers were counted in favour of respondent No. 1 as having 50 ballot papers. As a result of these irregularities in the counting of the ballot papers, about 3,000 ballot papers which should have been rejected were counted in favour of respondent No. 1 and 1,000 ballot papers which should have been counted in favour of the appellant were illegally rejected and this materially affected the result of the election.

To substantiate these allegations, the appellant examined as many as 23 witnesses including herself. After the evidence was closed, the appellant had put in a petition for inspection of the ballot papers. The High Court rejected the petition for the reason that the appellant had not pleaded the material facts in the petition to set aside the election.

The High Court, after a careful consideration of the evidence of the witnesses found, that the allegations in the election petitions were vague and that evidence adduced to prove them was unreliable, and so, dismissed the petition.

The appellant submitted before us that the evidence of the witnesses examined by her would prove the several illegalities alleged to have been committed in the counting of the ballot papers and that, in any event, the appellant's application for inspection should have been allowed.

We are satisfied that the High Court has taken into consideration all the material circumstances and has appreciated the evidence from the correct perspective. It has been the consistent practice of this Court not to interfere with findings on question of fact unless there is some grave or palpable error in the appreciation of the evidence on the basis of which the findings were arrived at (see *Dr. Jagjit Singh v. Gairola Kartar Singh and others*)¹.

We also think that there is no substance in the contention of the appellant that the High Court was in error in rejecting her application for inspection of the ballot papers. As already stated, the High Court rejected the application for the reason that the allegations in the election petition were vague and that the petition did not contain an adequate statement of the material facts. In *Ram Sewak Yadav v. Hussain Kamal Kidwai and others*,⁽²⁾ this Court said that an order for inspection would not be granted as a matter of course: that having regard to the insistence upon the secrecy of the ballot papers, the Court would be justified in granting an order for inspection only where the petition for setting aside an election contains an adequate statement of the material facts on which the petitioner relies in support of his case and it is necessary to decide the dispute and to do complete justice between the parties. The Court also said that an order for inspection of ballot papers would not be granted to support vague pleas made in the petition not supported by material facts or to fish out evidence to support such pleas. The Court emphasized that mere allegations that the petitioner suspects or believes that there has been an improper reception, refusal or rejection of votes will not be sufficient to support an order for inspection. In *Dr. Jagjit Singh v. Gairola Kartar Singh and Others* ⁽³⁾ this Court again said that an election petition should contain a concise statement of the material facts on which the petitioner relies, that vague or general allegations that valid votes were improperly rejected or invalid votes were improperly accepted, would not serve the purpose and that an application made for the inspection of ballot boxes must give material facts which would enable the tribunal to consider whether, in the interests of justice, the ballot boxes should be inspected or not. The Court further said that in dealing with this question, the importance of the secrecy of the ballot papers cannot be ignored and that, it has always to be borne in mind that the statutory rules framed under the Act are intended to provide adequate safeguard for the examination of the validity or invalidity of votes and for their proper counting. The Court emphasized that in some cases, the ends of justice would make it necessary for the tribunal or Court to allow a party to inspect the ballot boxes and consider his objection of votes tendered by voters at any given election; but in considering the requirements of justice, care must be taken to see that election petitioners do not get a chance to make a roving or fishing enquiry in the ballot boxes so as to justify their claim that the returned candidate's election is void.

In *Jitendra Bhaadur Singh v. Krishna Behari and others*,⁽⁴⁾ this Court observed that in view of the importance of maintaining the secrecy of ballot papers, scrutiny can only be ordered if the election petition contains an adequate statement of the material facts on which the petitioner relies, that is, the material facts disclosed must afford an adequate basis for the allegations; and the election tribunal must be *prima facie* satisfied that in order to decide the dispute and to do complete justice between the parties, inspection of the ballot papers is necessary.

In the case at hand, the allegations in the election petition were vague and the petition did not contain an adequate statement of the material facts. The evidence adduced by the appellant to prove the allegations was found unreliable. No definite particulars were also given in the application for inspection as to the illegalities alleged to have been committed in the counting of the ballot papers. A recount will not be granted as a matter of right but only on the basis of evidence

(1) A.I.R. 1966 S.C. 773.

(2) 1964 (6) S.C.R. 288.

(3) A.I.R. (1966) S.C. 773, 783.

(4) (170) I. S.C.R. 852.

of good grounds for believing that there has been a mistake in the counting. It has to be decided in each case whether a *Prima facie* ground has been made out for ordering an inspection.

Counsel for the appellant relied on *Bhim Sen v. Gopali*⁽⁵⁾ and contended that an inspection of the ballot papers should be granted even if no *prima facie* case has been made out by the allegations in the election petition. That case was considered by this Court in *Ram Sewak Yadav vs. Hussain Kamil Kidwai and others*⁽²⁾ and the Court was of the view that unless an election petition contains an adequate statement of the material facts, and election tribunal would not be justified in ordering an inspection of the ballot papers. As the appellant did not make out a case for inspection, the High Court was justified in dismissing the application. In the circumstances, we do not think that there is any substance in the prayer of the appellant for a recount of the votes.

We dismiss the appeal with costs.

The 4th November, 1972

Present :

MR. JUSTICE S. N. KATJU PRESIDING OFFICER

CASE No. CGIT/LC(R)(1) OF 1968.

(Notification No. F. No.37/22/67-LR.I dated 28-12-1967)

Parties :

Employers in relation to M/s. S. Lal & Co. (P) Ltd., Barbil and their workmen represented by Keonjhar Mines & Forest Workers Union and S. Lal & Company Employees Union, P.O. Barbil, Distt. Keonjhar (Orissa).

APPEARANCES :

For Employers : S/Shri N. C. Shah, B. N. Kanwar and N. K. Dhar. and P. C. Naik.

For Workmen : 1. Sri H. Behara and Sri A. C. Mahanti for Keonjhar Mines & Forest Workers Union.

2. Sri R. K. Nair for S. Lal Company Employees Union.

INDUSTRY : Iron Ore DISTRICT : Keonjhar (Orissa).

PART I—AWARD

This is a reference under Section 10 of the Industrial Disputes Act 1947. The dispute relates to the demands of the workmen employed in the Iron Ore Mines in Keonjhar district for implementation of the recommendations of the Central Wage Board for the Iron Ore Mining Industry. The dispute was sponsored by the Keonjhar Mines and Forest Workers Union. The case has a checkered history and the proceedings were lengthened on account of an injunction order of the Calcutta High Court by which the proceedings before the Tribunal were stayed. Subsequently the Calcutta High Court modified its injunction order and vacated the stay order in respect of the reference as between the workmen and S. Lal & Company (P) Ltd., Barbil and M/s B. Patnaik Mines (Private) Ltd., Serenda, Barbil.

There was a settlement between the management of M/s S. Lal and Company (P) Ltd., and the Keonjhar Mines and Forest Workers Union represented by its President, Shri D. C. Mahanti, dated 9-5-1969 by which all outstanding disputes between the parties "in respect of or arising out of or any connected with the first and second interim report of the Wage Board and the final report of the Wage Board and the other matters" were settled in accordance with the terms and conditions which were mentioned in the deed of settlement dated 9-5-1969. Objections were raised to the aforesaid settlement by another Union viz., S. Lal & Company Employees' Union. This Tribunal by its order dated 17-3-1970 observed:

"the compromise arrived at will have to be examined on merits and S. Lal & Company Employees Union will be permitted to contend against the acceptance of the compromise."

Thereafter there was another settlement dated 26-6-1969 in which the parties were the same as in the earlier settlement dated 9-5-1969. It appears that S. Lal & Company Employees Union was not a party to the said settlement of 26-6-1969 but it did not raise any objection to the said settlement dated 26-6-1969. It may be mentioned that the settlement of 26-6-1969 made certain modifications in the earlier settlement of 9-5-1969. It said as follows :—

"Subject to the modifications herein contained the said Memorandum of Settlement dated 9th May, 1969 shall have full force and shall be read construed and be enforceable as if the terms of these presents originally incorporated therein."

Again there was a settlement on 2-12-1971 in which S. Lal Company Employees Union represented by Sri R. K. Nair was also a party. It further modified the terms of the settlement of 26-6-1969. Sri R. K. Nair on behalf of the S. Lal Company Employees Union stated before the Tribunal on 2-12-1971 that "in view of the agreed modifications today I do not press my objections." Sri Nair and Sri A. C. Mahanti

who represented the Keonjhar Mines and Forest Workers Union further stated :—

"We agree to the modifications stated above by Sri N. C. Shah and Sri B. N. Kanwar."

Thus this prolonged dispute which started as far back as on 23-5-1968 was amicably resolved between the workmen and S. Lal & Company (P) Ltd., Barbil on 2-12-1971. The order of this Tribunal dated 2-12-1971 mentions the agreed terms of the settlement which further modified the terms of the earlier settlement of 9-5-1969 and 26-6-1969. The Tribunal, however, did not pass final orders on 2-12-1971. I have pursued the terms of the settlement as incorporated in the settlements dated 9-5-1969 and 26-6-1969 and in the statements of Sri N. C. Shah and Sri B. N. Kanwar made before this Tribunal on 2-12-1971. The terms are fair and reasonable and by the aforesaid settlements the dispute between the employer, M/s S. Lal & Company Private Ltd., and the workmen has been amicably resolved. I make my award in terms of the settlements dated 9-5-1969 as modified by the settlement dated 26-6-1969 and the statements of S/Sri N. C. Shah and B. N. Kanwar made before this Tribunal on 2-12-1971 and make my award accordingly. The aforesaid settlements dated 9-5-1969 and 26-6-1969 and the proceedings of this Tribunal dated 2-12-1971 as set out in the order sheet shall form part of the award. I make no order for costs.

The result is that my aforesaid award is with respect only to the dispute as raised in the reference between the workmen and S. Lal & Company Private Ltd., Barbil. The dispute with regard to the remaining employers with the exception of Messrs B. Patnaik Mines (P) Ltd., Barbil can only be considered after the vacation of the aforesaid stay order by the Hon'ble Calcutta High Court.

S. N. KATJU, Presiding Officer.

(b) In view of the practical difficulty in calculating the arrears wages and the amount entitled to an account of variable dearness allowance, it is mutually agreed that for the year 1967 the All India Consumer Price Index Number is taken as 204 and for the year 1968 at 212 and till 31-3-1969. From 1-4-1969 till 30-6-1969 the All India Index Number is taken as 206. Subsequent to 1-7-1969, there will be a revision of variable Dearness Allowance for every quarter basing the index number of the previous quarter as the standard applicable. The Dearness Allowance should be treated as part of the total emoluments of the employee.

Phased Increase in Wages

The wages of workmen shall be phased as below:—

Daily basis wages from:—

If, however, a workman gets less than Rs. 25/- per month when placed at the minimum of the revised scale, he shall be entitled to one increment starting from the minimum of the revised scale, for every three years of service or part thereof, which is not less than one year, in his present category subject to the following limitations:

If, however, after fitting the workmen in the above manner, he gets an increase of less than Rs. 13/- per month over his existing total emoluments Rs. 13/- per month is to be added to his existing total emoluments and if after that his wages (in the basic pay scale) are in the middle of the revised pay scale he shall be fitted at the next higher point in that scale.

(B) Daily Rated Workers:

In the case of an existing daily rated workman, whether he is in a daily scale or not his existing total emoluments (consisting of basic pay, dearness allowance, cash value of foodgrains concession, interim wage increase and other allowances, if any), on 31st December, 1966, or the immediately preceding working day, shall be worked out. If by placing at the minimum of the revised pay scale, a workman gets an immediate increase of Rs. 1/- per day or more over his existing total emoluments, he will not be entitled to any increments on account of length of service and he shall be fitted at that point.

If, however, a workman gets less than Re. 1/- per day when placed at the minimum of the scale, he shall be entitled to one increment starting from the minimum of the revised pay scale, for every three years of service or part thereof, which is not less than one year, in his present category subject to the following limitations:

(i) A workman shall not be entitled to any increment if he has not put in one completed year of service on 1-1-1967.

(ii) The increase in the existing total emoluments of the workmen by way of such increase, shall not exceed the maximum amount of Re. 1/- per day and in case by the addition of the increments as agreed to, he gets more than

Re. 1/- per day he shall be fitted at the previous point in that scale.

(iii) In no case, shall the increase in the existing total emoluments of a workman shall be less than Re. 0.50 paise per day. If, therefore, after fitting the workman in the above manner he gets an increase of less than Re. 0.50 paise per day over his existing total emoluments and if after that his wages (in the basic pay scale) are in the middle of the revised pay scale, he shall be fitted at the next higher point in the scale.

(C) By the above fitment all workmen are to be ensured a minimum increase of Rs. 13/- per month or Re. 0.50 paise per day with effect from 1-1-1967, except in cases whose categorisation shall entitle the workmen a higher increase in their existing total emoluments.

(D) The minimum and maximum increase of Rs. 13 to Rs. 25 per month or Re. 0.50 to Re. 1 per day intended to be granted to a workman as an immediate increase in his total emoluments will be inclusive of the amount paid in excess of the 2nd interim wage increase granted by the Board and/or normal increments allowed after 1st April, 1966.

(E) If by reason of fitment the pay scale of the workers exceeds the maximum of the revised scale on which he is placed the excess amount shall be treated as personal pay which shall count for all purposes, as part of basic pay and it shall be adjusted against wages increase as a result of future promotions.

(F) In the case of workmen whose wages have been phased the basic wage as phased shall be taken into account while working out the total emoluments in the revised pay scale. Such workmen shall not be entitled to the increments recommended above to gain the benefit of services. Those workmen will, of course, be entitled to a minimum increase of Rs. 13/- per month or Re. 0.50 per day in their existing total emoluments.

(G) The basic pay in the revised pay scale shall be the total emoluments in the revised pay scales less the dearness allowance for the concerned category of workmen.

(H) In the case of those workmen whose pay has been fitted in the revised pay scale after allowing increments to give service benefits, the date of future annual increments shall be 1st January.

16. Save as herein expressly provided the workmen shall not have or claim any retiring benefits such as gratuity and the Employer shall not be required to set up any Scheme for this purpose.

17. No claim shall be made by or on behalf of the workmen in respect of any of the reports or recommendations of the said Wage Board save to the extent herein expressly provided and any matter which is not expressly provided or on which this settlement is silent shall be deemed to be given up and need not be implemented by any of the parties. The present settlement finally resolves the disputes regarding the implementation of the Final Recommendations of the Central Wage Board for the Iron Ore Mining Industry.

18. Notwithstanding the increase in the basic wages and other remuneration payable to the workmen under this settlement with retrospective effect no increase with retrospective effect shall take place in the provident fund contribution leave pay, Bonus, overtime and other payments

which are based on the basic wages or otherwise and no claim shall be made by the workmen in respect thereof prior to the period 1st June, 1969 and whatever has been duly paid by the Employer in respect of such Provident Fund, leave pay, dearness allowance etc. upto the said date in accordance with the old scales of pay shall be accepted as final and fully satisfied. The Employer will, however, be entitled to deduct and retain the Provident Fund Contribution payable by the worker for a period of one year. 19. Both parties undertake that this settlement shall be filed before Industrial Tribunal, Jabalpur and they shall apply for an award in accordance therewith. For that purpose both the parties will join in an application to be made to the Calcutta High Court for variation of the order of injunction made by the Calcutta High Court as aforesaid. In view of the fact that the applicant could not attend the hearing on 1-11-1971 because of the car accident causing injuries to his wife, the amount of costs awarded on the last date of hearing is reduced to Rs. 100/- only.

S/Shri N. C. Shah and B. N. Kanwar state "So far as the Heavy Truck Drivers are concerned they had been placed and paid in the scale of Rs. 130-5-180. This is beneficial to the Heavy Truck Drivers and the Heavy Truck Driver, if any, will continue to get this benefit.

The Khallasis are in Category II. They are paid in the scale of Rs. 2.40-0.25-3.00. In fact they have already been paid according to this scale since June 1, 1969. The Khallasis and Truck Drivers are also entitled to get the arrears with effect from 1-1-1967. Only three instalments have been paid. The last instalment of arrears has not yet been paid. So far as we remember there is one Khallasi now.

The Jeep Drivers have been placed in the scale of Rs. 95-2-105-3-120. But the Company has no longer Jeep Drivers as an employee of the Company.

The Carpenters were placed in the scale of Rs. 2.40-0.25-3.00. No benefit was given to the Carpenter Helpers apart from the settlement.

There are two categories of Challan Mates. One is in the scale of Rs. 100-7-125-10-185 and the other is in Rs. 85-2-95-3-110 and they are being paid as such. The first category should be Matriculate with three years minimum experience and the second category should be non-matriculate with minimum five years experience of service.

Compressor Operators are in two grades—(1) in the scale of Rs. 85-2-95-3-110 and (2) in the scale of Rs. 75-2-85.

We did not have any Time Keeper and have no Time Keeper now.

The Settlement dated 9-5-1969 as modified by the settlements dated 26-6-1969 and 4-8-1970 may be deemed to be further modified by this statement of ours made today.

The management and the workmen agree that if there is any order by the Government for payment of Gratuity or retiring benefits to the workmen, the management will comply with the Government Orders. Clause 16 of the settlement dated 9-5-1969 will be deemed to have modified by this statement.

AWARD

The present reference arises out of Order No. 2/9/66-LRII, dated the 1st March, 1966 of the Central Government in the Ministry of Labour, Employment & Rehabilitation, (Department of Labour and Employment). The Central Government, being of the opinion that an industrial dispute exists between the parties, above-mentioned, by the said order referred the dispute to the Industrial Tribunal, Dhanbad for adjudication with respect to the matters specified in the schedule of reference. The schedule is extracted below:—

SCHEDULE

"Whether the management of the Jamadoba Central Hospital of M/s. Tata Iron & Steel Company Limited was justified in terminating the services of Dr. G. M. Laha with effect from the 1st July,

1965? If not, to what relief is the workman entitled?"

2. The reference was received by the Industrial Tribunal, Dhanbad on 16-3-66 where it was registered as reference No. 40 of 1966. Later on, as per Order of the Central Government bearing No. 8/25/67-LRII, dated the 8th May, 1967 the reference was transferred to Central Government Industrial Tribunal No. 2, Dhanbad where it was received on 20th May, 1967 and was registered as reference No. 117 of 1967. The reference was subsequently transferred to this Tribunal as per Order No. 8/71/68-LRII, dated the 17th August, 1968 of the Central Government. It was received during the time of my predecessor-in-office on 26th June, 1968 and was re-numbered as reference No. 15 of 1968.

3. The Industrial dispute in question was sponsored by Congress Mazdoor Sangh, Bihar and the said union represented the workmen in the present proceeding. The written statement of the workmen dated 8-8-1966 was received by the Central Government Industrial Tribunal, Dhanbad on 10-8-1966. The employers' written statement dated 30-10-1967 was received on 8-11-1967 while the reference was pending before the Central Government Industrial Tribunal No. 2, Dhanbad. It appears that the employers filed an additional written statement which was received by this Tribunal on 5-12-1970.

4. The facts leading the present reference in short are these. Messrs Tata Iron & Steel Co. Limited have got six collieries in the district of Dhanbad in Bihar and there is a dispensary attached to each of the collieries. Some of the collieries have also got hospitals attached to them. The said company has got a Central Hospital at Jamadoba in Dhanbad District in charge of a Chief Medical Officer. Dr. G. M. Laha, the concerned workman in the present proceeding, was appointed as Assistant Medical Officer at one of the collieries of Tata Iron & Steel Co. Ltd., in the District of Dhanbad in 1961 (*vide* copy of appointment letter Ext. M-1). By the letter dated 28-6-1965 of the Chief Mining Engineer of the Company (*vide* letter Ext. M-2) the services of Dr. G. M. Laha in the said Central Hospital were terminated with effect from 1st July, 1965. The Congress Mazdoor Sangh, Bihar took up the case of Dr. Laha in a conciliation proceeding before A.L.C. (C), Dhanbad. The conciliation proceeding ended with a failure report and thereafter the Central Government made the present reference for adjudication under Section 10(1)(d) of the Industrial Disputes Act, 1947. According to the workmen the termination of the services of Dr. G. M. Laha was an act of victimization on the part of the management. It is alleged that the Chief Medical Officer of the Central Hospital, Dr. A. K. Bhattacharjee, for some reason or other had disliking for Dr. Laha and so harassed him in several ways. On 17-5-1965, it is stated, the Chief Medical Officer lodged a false complaint against Dr. Laha alleging that Dr. Laha was responsible for the theft in Chief Medical Officer's residence on 16-5-1965, though during that period Dr. Laha was on leave. It is also stated that Dr. Laha was man-handled by certain known employees of the company on 30-5-1965 when he returned after the expiry of leave. The matter was reported to Police and also to the Chief Mining Engineer by Dr. Laha. By his letter dated 4/5-6-65 (*vide* Ext. W-1) the Chief Mining Engineer wrote back to the effect that since the complaint regarding the incident was before the Police, the management do not consider it advisable to a simultaneous enquiry. However, subsequently an enquiry was ordered by the Chief Mining Engineer and it was held in the chamber of the Chief Medical Officer. Later on, the Chief Mining Engineer by his letter dated 24/25-6-65 (*vide* Ext. W-3) stated that Dr. Laha failed to prove his complaint and so the complaint was dismissed. According to the workmen the dismissal of complaint of Dr. Laha was *malafide* and perverse. Thereafter, it is alleged, the Chief Mining Engineer terminated the services of Dr. Laha with effect from 1-7-1965 as per letter, already stated above. The appeal against this order to the Agent of the company also became unsuccessful. The workmen alleged that no chargesheet was issued to Dr. Laha nor any departmental enquiry was held for any misconduct before the termination of his services was held and as such the order of the management is liable to be set aside. It is alleged further that the order in question amounts to dismissal of Dr. Laha and is not a discharge simpliciter in terms of the contract of service and the

order of termination of his services was passed on extraneous considerations. The action of the management is said to be *malafide*, illegal or otherwise unjustified and resorted to under the colourable exercise of the power vested in the management. It is accordingly prayed that the order of the management in question be set aside and Dr. Laha, the concerned workman, be reinstated in his post and be given full back wages from the date of termination of his service.

5. The case of the employers is that the termination of the services of Dr. Laha was a discharge simpliciter according to the terms of his appointment, after offering him one month's pay in lieu of notice. It is stated accordingly that the action of the management in terminating the services of Dr. Laha was justified. The employers have also taken the plea of want of jurisdiction of the Central Government in making the reference and consequently the want of jurisdiction of the Tribunal to decide it. It is further alleged that Jamadoba Central Hospital in which Dr. G. M. Laha was appointed is not an industry and as such the present reference does not arise out of any industrial dispute within the meaning of "Industrial Dispute" in the Industrial Disputes Act, 1947.

6. The employers examined 4 witnesses, MW-1 to MW-4, and also got documents exhibited on their behalf. On behalf of the workmen 3 documents Exts. W-1 to W-3, were exhibited on admission by the opposite party. No witness on behalf of the workmen, however, was examined. I shall make reference to the evidence of the parties in course of the award, if and when it becomes necessary. I may mention here that nobody appeared on behalf of the workmen to adduce oral evidence or to advance argument on their behalf, although sufficient opportunity for the same was given.

7. Before I proceed to the merits of the case I like to dispose of the preliminary points raised on behalf of the employers. The first point raised in this regard is that the reference made to the Tribunal is not an Industrial Dispute in as much as the Central Hospital at Jamadoba of M/s. Tata Iron & Steel Co. Ltd., is not an industry and as such the reference is bad and this Tribunal has no jurisdiction to decide the reference in question. It is next submitted that assuming the Central Hospital is an industry, the Central Government is not the competent authority to make the reference in as much as the said hospital is neither a mine nor is attached to any particular mine nor the concerned Doctor can be said to be employed in a mine. In support of the first contention that the Central Hospital at Jamadoba is not an industry, Mr. S.S. Mukherjee, Advocate on behalf of the employers rely on the decision of their Lordships of the Supreme Court in the case of Management of Safdarjung Hospital, New Delhi and Kuldip Singh Sethi and others, reported in 1970(2) L.J. 266 which was followed in the case of Management of Hospitals, Orissa and their Class IV Employees, reported in A.I.R. 1971 S.C. 1259.

8. The case reported in 1970(2) L.J. 266 refers to three industrial disputes, in one of which the Management of Safdarjung Hospital, New Delhi were the employers, in the second the management of M/s. T.B. Hospital, New Delhi were the employers and in the third the employers were the management of Kurji Holi Family Hospital in Bihar. The employees of the said Hospitals were the workmen. In that ruling it was held that Safdarjung Hospital is run as a department of Government and accordingly that hospital cannot be said to be an industry. So far as the other two hospitals are concerned their Lordships held that they are charitable institutions and as such they also do not come within the definition of industry. In the case reported in 1971 S.C. 1259 the dispute related to various conditions of service of Class IV Employees employed in different hospitals, owned and run by the State Government of Orissa. Their Lordships held that all these Institutions are run by the Government and they are being run as a part of the function of the Government of Orissa. That being so, their Lordships followed their earlier decision in the case of Management of Safdarjung Hospital, New Delhi *versus* Kuldip Singh Sethi, referred to above.

9. I may mention at the outset that the facts of the aforesaid two rulings are different from the facts of the present case. It will appear from those rulings that the hospi-

tals involved in those cases had nothing to do with any industry nor they had any connection, direct or remote, with any industry. From the evidence of MW-2 Dr. A. K. Bhattacharjee, Chief Medical Officer of the Jamadoba Central Hospital at Jamadoba it appears that the M/s. Tata Iron & Steel Co. Limited own and manage six collieries in Dhanbad District, each having a separate dispensary. The witness states that the said company have got 2 hospitals, one at Sijua and the other at Malkera, and one Central Hospital at Jamadoba and the Central Hospital is not attached to any particular colliery. The evidence of MW-2 is that in the Central Hospital the authorities undertake the treatment of the employees of the said six collieries, their dependants and outsiders. Apparently, the Tata Iron & Steel Co. Ltd., have set up the dispensaries, hospitals and the Central Hospital, said above, primarily for the purpose of the treatment of their employees in the aforesaid six collieries. From the appointment letter Ext. M-1 dated 23-12-61, by which the concerned workman Dr. G. M. Laha was appointed, it appears that this appointment letter was issued by the Chief Mining Engineer of the company at Jamadoba. One of the terms of appointment in the said letter is that in all matters relating to employment of Dr. G. M. Laha will be governed by the company's colliery service rules. The appointment letter further shows that Dr. Laha was appointed as an Assistant Medical Officer at one of the Tata's collieries said above. From the documents filed by the management Ext. M-6 to M-14 it appears that Dr. Laha was concerned with the treatment of the employees of the collieries and as Assistant Medical Officer he was under the control of Chief Medical Officer of the Central Hospital at Jamadoba and the Chief Mining Engineer of the collieries was the authority who could take disciplinary action against Dr. Laha as Assistant Medical Officer for any lapse on his part and it was the Chief Mining Engineer who was the appointing authority of Dr. Laha. Ext. M-6 is the complaint of Sahebjan, the Pump Khalasi in Bhowrah Incline at Jamadoba Colliery of the company, to the Chief Mining Engineer against Dr. Laha to the effect that his daughters were suffering from small pox and the colliery doctor of Jamadoba, Dr. Laha after visiting his quarter saw the patients, but he did not recommend quarantine leave. The Deputy Chief Mining Engineer then called for a report from the Chief Medical Officer. The Chief Medical Officer in his report dated 21-5-63 (Ext. M-7) submitted that the said three daughters of Sahebjan were suffering from small pox and necessary steps had already been taken and that the Chief Medical Officer was advising Dr. Laha to be more careful in discharging his duties. The Deputy Chief Mining Engineer by his letter dated 25-5-63 to Chief Medical Officer, Jamadoba intimated warning to Dr. Laha to improve his work. There was a report against Dr. Laha by an employee in Central Accounts Office Digwadih to the Chief Medical Officer, Central Hospital, Jamadoba with a copy to the Chief Mining Engineer, Jamadoba (Vide Ext. M10). After necessary enquiry the Chief Mining Engineer as per his letter Ext. M-12 dated 13/14-4-64 warned Dr. Laha. As per letter dated 7-9-64 Ext. M-13 the Chief Mining Engineer asked Dr. G. M. Laha, Assistant Medical Officer, 6 & 7 pits, to explain as to why he had antedated the entries in the register meant for making entry regarding the medical examination of the children of the colliery employees attending the Creche. Dr. Laha submitted his explanation dated 22-9-64 Ext. M-8 and thereafter the Chief Mining Engineer as per his letter dated 28-9-64 informed Dr. G. M. Laha, through the Chief Medical Officer, Jamadoba, that by way of disciplinary measure, on account of the said lapse in his duty he would loose increment in pay for one year. It is clear from the above facts that the said Central Hospital and 2 other hospitals and the dispensaries attached to the collieries of the company are inextricably connected with the collieries in question. The said hospitals, including the Central Hospital and the dispensaries have been set up by the company, apparently for the purpose of efficient and successful functioning of the coal mining industry carried on by that company in the six collieries aforesaid. At this place reference may be made to the decision of their Lordships of the Supreme Court in the case M/s. J. K. Cotton Spinning & Weaving Mills Co. Limited Vs. The Labour Appellate Tribunal of India and others, reported in A.I.R. 1964 S. C. 737. In that case the service conditions of 10 *Malls*, employed by the company to do the work of gardener in the gardens attached to the bungalows of the officers and the Directors of the Company, was under consideration in the industrial dispute in question. It was contended that the *Malls* were not workmen within the definition of 'workman' in Section 2(s) of the Industrial Disputes Act, 1947, in as much as they were not

employed in the industry of the employers i.e. in the spinning and weaving operations. In this connection reliance was placed on the expression "employed in any industry" in the definition of "workman". While considering the above contention their Lordships have observed as follows:

"In the modern world industrial operations have become complex and complicated and for the effectual and successful functioning of any industry, several incidental operations are called in aid and it is the totality of all these operations that ultimately constitutes the industry as a whole."

The above observation of their Lordships fully support the view that the operations incidental to the main industry form part of that industry within the definition of 'Industry' in the Industrial Disputes Act. It comes to this, therefore, in view of the facts on record, already discussed above, the Jamadoba Central Hospital of M/s. Tata Iron & Steel Co., Ltd., is part of the coal mining industry of the said company in the District of Dhanbad and the dispute between the management of Jamadoba Central Hospital of M/s. Tata Iron & Steel Co. Limited and their workmen with respect to the termination of the services of Dr. G. M. Laha is an industrial dispute. In my opinion, the rulings relied upon by the employers, namely, 1970(2) L.J. 266 and 1971 S.C. 1259 are not applicable to the facts of the present case.

10. The next question required to be answered is as to whether the Central Government is the appropriate authority in making the reference in question. The "appropriate authority" has been defined in Section 2(a) of the Industrial Disputes Act. The relevant clause in 2(a)(i) of the Act, according to which the Central Government will be the appropriate authority, refers to the industrial dispute in relation to a mine. On behalf of the management reliance is placed on the decision of their Lordships of Supreme Court in the case of Sirajuddin & Company and their workmen, reported in 1962(1) L.J. 450 in support of the contention that the Central Hospital, Jamadoba does not come within the definition of the word "mine" in the Mines Act and as such it is the State Government, and not the Central Government, which is the appropriate authority for making the reference in question. In that case Sirajuddin & Company had mining operations in the State of Orissa with Head Office in Calcutta. The dispute was regarding the service coordinations of the employees in the Head Office in Calcutta. Their Lordships pointed out that an office of a mine is excluded from the definition of 'mine' in Section 2(j) of the Mines Act. It was held further that the persons employed in the Head Office wherever it may be situated cannot be said to do the mining operation nor they can be said to be ordinarily engaged in any other kind of work which is incidental to or connected in mining operations and the work which is incidental to or connected with mining operation must have some connection with or in relation to the mining operations themselves. So in that case, their Lordships decided that the appropriate Government was the State Government and not the Central Government.

11. The facts of the present case are quite different from the facts in the ruling aforesaid. It is true that the employees in the Central Hospital or other hospitals and dispensaries in the colliery area of Tata Iron & Steel Co. Limited are not directly concerned with the mining operation in the coal mines but the work which they carry on has got connection with and relation to the mining operation in as much as the said hospitals and dispensaries are primarily meant for the treatment of the said colliery employees. The concerned workman Dr. Laha's duty was also to treat them and also to look after the Creche in which the children of the coal miners are looked after during the working hours. Apparently the work of the employees of the Hospital in question is incidental to the mining operation in as much as their work helps to maintain the efficiency of the workmen engaged directly in the mining operation in the coal mines in question and thus helps the extraction of coal from those coal mines. The present industrial dispute is, therefore, in relation to the mine owned and managed by the Tata Iron & Steel Co. Ltd. That being so, the Central Government is the appropriate authority in making the reference in question and this Tribunal to which the reference has been made for adjudication, has therefore, jurisdiction to decide it. I overrule the preliminary objections raised on behalf of the management to the jurisdiction of the Central Government to make the reference and the jurisdiction of this Tribunal to decide it.

12. So far as the merit of the case is concerned the case of the employers is that the termination of the services of the concerned workman, namely Dr. G. M. Laha, was a discharge simpliciter according to the terms of his employment and as such the action taken by the employers in this regard is justified. One of the terms of appointment of Dr. Laha as per the appointment letter Ext. M-1 is as follows:—

"You will not be entitled to any notice or notice pay if you are discharged from service during the probationary period. On confirmation you will be entitled to one month's notice or pay in lieu thereof if your services are terminated provided this is not due to misconduct, insubordination or neglect of duty."

The relevant extract from the letter of dismissal Ext. M-2 dated 26/28-6-1965 runs as follows:—

"We have to inform you that your services are hereby terminated with effect from 1-7-1965. You are advised to collect your current dues from the office of the Manager, 6 & 7 Pits Colliery on 1-7-1965. You will be paid one month's notice."

Apparently this amounts to discharge simpliciter in accordance with the terms of employment of Dr. G. M. Laha, referred to above.

13. According to the allegation in the written statement of the workmen the termination of the services of Dr. Laha was the colourable exercise of powers vested in the management amounting to victimization which was due to the fact that for some reason or the other the Chief Medical Officer of the Central Hospital, Jamadoba did not like Dr. Laha. I may mention at this place that the workmen have not examined any witness in proof of the alleged victimization or to prove *malafide* or unfair labour practice on the part of the management, nor even the concerned workman has been examined in this regard. On behalf of the workmen, however, three documents, Exts. W-1, W-2 & W-3, have been filed. Ext. W-1 is the letter dated 4-6-65 of the Chief Mining Engineer of the Company to Dr. G. M. Laha. The letter goes to show that Dr. Laha had handed over one application dated 1-6-65 to the Chief Mining Engineer on 3-6-65 alleging assault on him by certain employees of the company and with a prayer to hold enquiry about the matter. The Chief Mining Engineer by the said letter informed Dr. Laha that as the Police investigation into the matter was going on it was not advisable to hold an enquiry by him simultaneously. However, the Chief Mining Engineer again wrote a letter dated 14-6-65 Ext. W-2 informing Dr. Laha that he would hold enquiry about his allegation and directing him to appear with witnesses. It appears that thereafter necessary enquiry was made and as per letter dated 24/25-6-65 the Chief Mining Engineer informed Dr. Laha that he had failed to establish the complaint against the persons named by him. From the written statement of the workmen it appears that the appeal against the order of the Chief Mining Engineer to the Agent proved unsuccessful. The aforesaid documents by themselves do not prove any special bias of the management as against the concerned workman from which *malafide* or unfair labour practice or an act of victimization by terminating the services of Dr. Laha can legitimately be inferred.

14. At the time of argument the learned Advocate of the management has drawn my attention to certain acts of lapses on the part of Dr. Laha in the course of his service about which I have already made reference. It appears that in 1963 on a complaint filed by a colliery employee the Deputy Chief Mining Engineer warned Dr. G. M. Laha to be more careful in future (*vide* Dy. CME's letter Ext. M-9/1 dated 25-5-63). On account of another complaint made in April, 1964 by an Assistant in the Accounts Office of the company at Digwadih refusing to go to the quarter of the complainant to see his ailing daughter, the Chief Mining Engineer in his letter dated 13-4-64 warned him to show better sense of discipline (*vide* letter Ext. M-12/1). It appears that on 28-9-64 the Chief Mining Engineer by his letter Ext. M-14/1 stopped the increment in the pay of Dr. Laha for one year antedating certain entry. The order of termination of the services of Dr. Laha was passed by the Chief Mining Engineer on 26-6-65 *vide* his letter Ext. M-2. Admittedly in June, 1965 Dr. G. M. Laha made complaint of assault on him by some employees of the company and the management after due enquiry found the allegation

incorrect. In view of all these the order of discharge simpliciter passed against Dr. G. M. Laha by the management cannot be said to be unjustified.

15. In view of the findings given above I hold that the management of Jamadoba Central Hospital of M/s. Tata Iron & Steel Company Limited was justified in terminating the services of Dr. G. M. Laha with effect from the 1st July, 1965. In that view of the matter the workman is not entitled to any relief.

16. This is my award. Let the award be submitted to the Central Government under Section 15 of the Industrial Disputes Act, 1947.

AWARD

By Order No. 1912/138/71-LR.II, dated 10th December, 1971, the Government of India, in the Ministry of Labour and Rehabilitation, Department of Labour and Employment, referred the following dispute existing between the employers in relation to the management of Victoria West Colliery of Messrs New Beerbhoom Coal Company Limited and their workmen, to this tribunal, for adjudication, namely :—

“Whether the action of the management of Victoria West Colliery of Messrs New Beerbhoom Coal Company Limited Post Office Barakar, District Burdwan in dismissing Shri Bhagwan Chamar, Loader with effect from the 27th August, 1971, is justified. If not, to work relief is the said workman entitled?”

2. By an Order dated 15th September, 1972, the Government of India represented by the Secretary, Ministry of Mines and Metals, New Delhi, was added as a party in the category of management in relation to the Victoria West Colliery of Messrs New Beerbhoom Coal Company Limited. The original management representing the colliery in the order of reference is New Beerbhoom Coal Company Limited. The management of the said colliery was taken over by the Central Government on 17th October, 1971 by Ordinance No. 12 of 1971 and since then the colliery is being managed by the Custodian General and the Custodian in terms of the said ordinance represents the management on behalf of the Government of India. Consequent thereto the previous management has ceased to take part in the management of colliery though

it is still the owner of the colliery. On that background the workman represented by Sri Monoj Kr. Mukherjee, learned Advocate, moved an application applying for adding the Union of India through the Secretary, Ministry of Mines and Metals, New Delhi-1. That application was allowed and addition of party as noted above was made. The Union of India was served with the notice through the Secretary, Ministry of Mines and Metals, New Delhi-1, but did not appear to file any statement of case as directed. On 24th November, 1972 the management of Victoria West Colliery of Messrs New Beerbhoom Coal Company Ltd. was represented by Mr. D. Narsingh, the learned Advocate, which is still in record in addition to the Union of India represented by the Secretary, Ministry of Mines and Metals since the New Beerbhoom Coal Company Limited at the relevant time that means on 24th November, 1972 was considered to be the owner of the colliery concerned. Mr. Mukherjee, learned Advocate for the workman and Mr. Narsingh, learned Advocate for the management, New Beerbhoom Coal Company Limited, advanced their respective arguments on 24th November, 1972. Mr. Narsingh submitted that in view of the judgment of the Calcutta High Court on Section 2A of the Industrial Disputes Act, this tribunal had no jurisdiction to entertain the reference and to adjudicate upon it. Mr. Mukherjee submitted in reply that against the decision of the Calcutta High Court in the reported case the party aggrieved went in appeal before the Supreme Court and that the matter was still pending before the Supreme Court and that awaiting judgment of the Supreme Court this present reference might be adjourned since die. Mr. Mukherjee further submitted that he had no instruction from his client whether he would withdraw the present reference as made. He prayed for time for the same. The matter was adjourned to 1st December, 1972 to intimate this tribunal as to what was this instruction from his client. But on 1st December, 1972 Mr. Mukherjee did not appear.

3. The management, i.e. the New Beerbhoom Coal Company Limited submitted that it was the owner of the colliery and the employer of the workman referred to in the reference upto 16th October, 1971 and that under the Ordinance 12 of 1971 the management of the colliery was taken over by the Central Government on 17th October, 1971 and was being managed by the Custodian General wherefor the previous management ceased to take part in any manner in the management. It is stated in paragraph 5 of the statement of case filed by the management New Beerbhoom Coal Company Limited that the dismissal of the workman Bhakwan Chamar was an individual workman's dispute which was not taken up by any union or by a body of workmen of the colliery, and that the dispute was taken up by Shri Bhagwan Chamar himself by his representation directly made by him to the Assistant Labour Commissioner, Asansol. On 16th October, 1971 the A.L.C. (C), Asansol, in his failure report stated that the individual workman raised a dispute before him under Section 2A of the Industrial Disputes Act over his alleged illegal and wrongful dismissal from service by the management of the colliery vide letter dated 2nd September, 1971. The dispute under reference of an individual workman referred to this tribunal for adjudication as stated in paragraph 7 of the statement of case filed by the management New Beerbhoom Coal Company Ltd., was not taken up by any union or by a body of workmen of the colliery. The representation made by the workman direct to the Assistant Labour Commissioner, Asansol, did not amount to raising any industrial dispute with the management. So, on both the grounds the management i.e. the New Beerbhoom Coal Company Limited submitted in paragraph 7 of the statement of case that the reference was bad in law being outside the jurisdiction of the tribunal to entertain the same.

4. The workman filed a statement of case. He asserted in paragraph 2 of the statement of case that the reference was valid and legal and justified. In paragraph 4 of the said statement of case it is stated that the dispute had been espoused by West Bengal Khan Mazdoor Sangh through its General Secretary Madhu Banerjee and that the affected workman is a member of that union. Banerjee, the General Secretary of the Union represented the workman before A.L.C., Asansol. There are 17 paragraphs in the written statement filed by the workman but nowhere he asserted that against the dismissal order passed by the management on 29th August, 1971 as referred to in paragraph 11 of the statement of case, the workman represented by any union or by a body of workmen of the colliery laid the dispute relating to the workman's dismissal before the management prior to the approach by the General Secretary of the union referred to above with the dispute to the A.L.C.(C), Asansol. In paragraph 15 of the statement of case filed by the workman him-

self it is stated that the dispute when raised before the A.L.C. (C) was attended by the Superintendent, Personnel, New Beerbhoom Coal Company Limited. The annexure to the order of reference under Rule 10B(1) of the Central Rules, 1957 was sent directly by the Central Government to the Superintendent, Personnel of Messrs New Beerbhoom Coal Company Limited, (2) C.L.C.(C), New Delhi, R.L.C.(C), Asansol and Sri Bhagawan Chamar, Victoria West Colliery, P. O. Barrakar, District Burdwan. So, a party representing the workman is not a union but the workman himself. The failure report would show that Sri Bhagawan Chamar, Loader of Victoria West Colliery, raised an industrial dispute under Section 2A of the Industrial Disputes Act over his alleged illegal and wrongful dismissal by the management of the said colliery and requested the Conciliation officer to intervene. In the report it is stated that one Madhu Banerjee, General Secretary of the West Bengal Khan Mazdoor Sangh, UTUC, duly authorised by the workmen attended on behalf of the workman. Be that as it may, the annexure to the copy of reference, as I have already noted, would not show that a party representing the workman in the conciliation proceeding was any one other than the workman himself who himself raised the dispute before the A.L.C. (C), Asansol and none else. Accordingly, the workman himself raised the dispute straight off before the A.L.C.(C), Asansol, and not any union espousing the cause of the workman.

5. This is a case of an individual dispute relating to dismissal of the workman Bhagawan Chamar who himself raised the dispute straight before the conciliatory authority and had not, before raising such dispute before the conciliatory authority, approached the management with the demand relating to such dispute before any authority of the management i.e. the New Beerbhoom Coal Company Limited that could either accede to or reject the demand relating to the dispute under reference if lodged before the management by the workman concerned or by the union, if any, espousing the cause of the workman.

6. So, in view of the decisions in Raju's Caffé's case reported in 1951 I LJ, p. 219, in the case of Sindhu Resettlement Corporation Ltd. and Industrial Tribunal, Gujarat & Ors., reported in 1968 I LLJ p. 834 and in the case of Fedders Lloyed Corporation Private Ltd. and Lt. Governor, Delhi, reported in F.L.R. 1970(2) p. 343, when neither the workman represented by any union nor the workmen of the colliery raised the dispute relating to the reference before me prior to the approach of the workman with such dispute to the A.L.C.(C), Asansol, before any authority of the management, the dispute under reference is not an industrial dispute under Sec. 2(k) of the Industrial Disputes Act and as such is not competent for the Central Government to refer such dispute before a tribunal for adjudication. The tribunal in such a circumstance is not entitled under the law to entertain the dispute under reference and to adjudicate upon it.

7. The next point is that the individual workman raised the dispute himself relating to his dismissal straight before the A.L.C.(C) under Section 2A of the Industrial Disputes Act. In Reference No. 18 of 1972 disposed of by this Tribunal on 11th August, 1972, both the points involved in this reference were decided. Mr. K. P. Mukherjee, Bar-at-Law, appearing for the management in that reference No. 18 of 1972 submitted that in view of the decision by his Lordship Mr. Justice Sankar P. Mitra of the Calcutta High Court, as his Lordship then was, in the case of Jute and Jute Goods Buffer Stock Association and Second Industrial Tribunal, West Bengal and others, reported in 1972 (24) F.L.R. p. 22, a reference on an individual workman's dispute regarding his dismissal covered by Section 2A of the Industrial Disputes Act did not lie before a tribunal. Mr. Monoj Kr. Mukherjee, Advocate in this case submitted that against that decision of the Calcutta High Court an appeal was pending before the Supreme Court by the party aggrieved by that decision. Be that as it may, so long as the decision of the Calcutta High Court is there, I am bound by that decision and I have hold so in the award passed in Reference No. 18 of 1972. So, Mr. Mukherjee's argument that pending decision in the appeal against the judgement of the Calcutta High Court in the case referred to above, this matter should be adjourned could not impress me.

8. Next, the decision in Raju's Caffé's case and the other two cases referred to above clearly cover the present case

in which the workman did not approach the management, New Beerbhoom Coal Company Limited with demand relating to the dispute over his dismissal at any time but went straight off with such dispute before the A.L.C.(C), Asansol. So irrespective of whether the Calcutta High Court's decision referred to above governs this case or not, the dispute itself, in view of the other decisions quoted above, is not an industrial dispute within Section 2(k) of the Industrial Disputes Act. Mr. Mukherjee appearing for the workman, however, did not submit anything to the contrary. So, the position is this that in view of the Calcutta decision this reference under Sec. 2A of the Industrial Disputes Act is incompetent and that in view of the decisions in other three cases referred to above, the dispute, as it is, is not an industrial dispute under Sec. 2(k) of the Industrial Disputes Act and cannot be adjudicated upon by this Tribunal.

9. In the result, the dispute under reference being neither competent in law nor entertainable by this tribunal for adjudication, being not an industrial dispute under Section 2(k) of the Industrial Disputes Act, the reference as made, is rejected.

This is my award.

AWARD

The applicant, Hussain Khan, was employed since December, 1960 in the New Chirimiri Ponri Hill Colliery (hereinafter called the Colliery) as a Foreman in the Colliery's Workshop. In February, 1967 there was some delay in the repair of the sprocket wheel of the Coal Cutting machine which had been sent to the Workshop. After the repair had been done it was found that the wheel had not been properly repaired and as a result of its defective repairing some damage had been caused to a machine. Thereupon the Manager of the Colliery sent a letter dated 24-2-1967 (Ex. E/1) asking Hussain Khan to exercise better care and supervision in his work in the future. Hussain Khan was, it seems, was annoyed by the aforesaid letter dated 24-2-1967 and challenged the allegation throwing responsibility on him for the defective repairing of the aforesaid wheel and demanded an enquiry. The Manager agreed to hold an enquiry and informed Hussain Khan by his letter dated 27-2-1967 accordingly. It appears that then Hussain Khan realised that things had gone too far and by his letter dated 28-2-1967 he withdrew his earlier demand for an enquiry. The Manager, however, stuck to his earlier position and ordered an enquiry in the matter. The enquiry was duly held and the findings of the Enquiry Officer were submitted to the Chief Mining Engineer of the Colliery on 15-3-1967. The latter ordered the summary dismissal of Hussain Khan on the grounds of his incompetency, negligence, disobedience, insubordination, gross carelessness, partiality to a few of his workmen and arrogance. Thus Hussain Khan was dismissed on 15-3-1967.

Thereafter Hussain Khan raised an industrial dispute under Sec. 2A of the Industrial Disputes Act, by his letter dated 16-8-1968, before the Asstt. Labour Commissioner (Central), Bilaspur. The dispute was transferred by the latter on 21-8-1968 to the Labour Enforcement Officer (Central), Raipur. Hussain Khan was represented by the General Secretary of the Madhya Pradesh Colliery Workers Federations, Chirimiri (hereinafter called the Federation). It appears that at first Hussain Khan's case was taken up by the Federation and later it was espoused by the Samyukta Khadan Koyala Karamchari Sangh (hereinafter called the Sangh). Sri H. B. Chakravarty was the General Secretary of the Sangh. At that time some other disputes besides that of Hussain Khan were pending between the Colliery and its workmen and they were all dealt with by a settlement dated 23-1-1968 in which the workmen were represented by Sri H. B. Chakravarty and Sri Resham Chand. With regard to Hussain Khan it was said in the aforesaid settlement that :—

"Regarding Shri Hussain Khan, the dispute is settled and dropped since he is a non-workman".

There were separate discussions between the Labour Enforcement Officer and the representatives of the management and the workman. The management maintained that Hussain Khan was not a workman and if he was a workman his case had already been settled earlier on 23-1-1968 and therefore the management did not agree to be a party to any joint discussions.

Thereafter Hussain Khan sought to raise an industrial dispute but the Central Government by its order dated 1-3-1968 refused to make a reference and expressed the view that the dispute had been resolved by the settlement of 23-1-1968. Hussain Khan again raised the dispute and this time the Central Government thought it fit to make a

reference to this Tribunal. The schedule to the reference runs thus :—

"Whether the management of New Chirimiri Ponri Hill Colliery of Dadabhoys New Chirimiri Ponri Hill Colliery Company (P) Ltd. district Surguja was justified in dismissing Sri Hussain Khan, Ex-Foreman with effect from the 15th March, 1967? If not, to what relief is the workman entitled?"

The reference to this Tribunal was made on 29-10-1969 and it has dragged on uptil now. At first the Tribunal added a number of issues to the issue as set out in the aforesaid schedule to the reference. Later, on 6-8-1971 the issues were reframed and now they run thus :—

1. Whether Shri Hussain Khan is not a workman as alleged? If not, is the reference beyond the jurisdiction of this Tribunal?
2. Is the reference bad as alleged by the management? If so, its effect?
3. Was Shri Hussain Khan victimized as alleged?
4. Whether the management of New Chirimiri Ponri Hill Colliery Company (P) Ltd., Post Office Chirimiri, District Surguja (M.P.) was justified in dismissing Shri Hussain Khan, Ex-Foreman, with effect from March 15, 1967? If not, to what relief is the workman entitled?

The Tribunal by its order dated 17-1-1970 rejected the management's request to record evidence on the first issue, as it then stood, viz., "Whether Shri Hussain Khan had been discharging managerial and administrative duties. Was he not a workman and this Tribunal has no jurisdiction". Again, on 14-2-1970 the Tribunal rejected the management's application for leave to amend their written statement. The management challenged the aforesaid orders of the Tribunal before the Hon'ble High Court of Madhya Pradesh and the said orders were quashed by the High Court by its order dated 2-4-1971. The High Court directed that :—

"The Tribunal shall reconsider the application dated February 14, 1970 for leave to amend the written statement and then shall first record evidence of the parties and decide issue No. 1. It is only if the first issue is decided against the petitioner the other issues will then be tried according to law."

Evidence was led by the parties on the first two issues and I have heard arguments of the learned representatives of the parties on them.

The first question for consideration by me is whether Hussain Khan was a "workman" within the meaning of Sec. 2(s) (iv) of the Industrial Disputes Act 1947. It was conceded that Hussain Khan was working in a supervisory capacity. It was, however, urged by the management that his wages exceeded Rs. 500 per month and further that the nature of his duties were of a managerial nature.

It was contended that Hussain Khan was incharge of the Colliery's Workshop in which about 60 workmen were employed, he allotted duties to the workmen in the Workshop, allotted overtime work to them and made appointments in the Workshop on temporary vacancies (Ex. E/13 and E/14), he granted leave to workmen under his charge and issued charge-sheets to them (Ex. E/3) and he obtained stores directly from the Colliery's Store as also from outside (Ex. E/4 to E/12). It was argued that in view of the nature of duties attached to the Hussain Khan's office and by reason of the powers vested in him his functions were of a managerial nature. Sri Malhotra who appeared on behalf of Hussain Khan argued that the appointment order (Ex. E/13) bore the signatures of S. A. Gaffar, T. P. Balkrishna along with the signature of Hussain Khan and therefore it could not be said that the latter was the appointing authority. Referring to the chart of overtime work (Ex. E/23) Mr. Malhotra contended that it only says that certain persons performed overtime work and Hussain Khan had only certified that such work had been done by the workman concerned. The chart was also signed by S. A. Gaffar and T. P. Balkrishnan. With regard to the leave applications Sri Malhotra argued that Hussain Khan's signature in

Ex. E/12 only said "may be spared" but the leave was actually sanctioned by the Engineer Gaffar and it showed that the sanctioning authority was not Hussain Khan but Gaffar. With regard to the withdrawal of materials from the Colliery's Store (Ex. E/40) Mr. Malhotra argued that it did not show that Hussain Khan had managerial rights. All that it indicated was that being a Section Officer the withdrawal was made by him but the Manager had also to approve such withdrawals and it was only in urgent cases that the sanction on the withdrawals made by Hussain Khan could be made later by the Manager.

It may be that Hussain Khan was not the sole authority in the matter of appointments, granting leaves, obtaining materials for the Workshop, but it cannot be denied that he was a Foreman incharge of the working of the Workshop and had to exercise control over the running of the Workshop. He had a say in the matter of appointments even though it had to be approved by other superior officers and he had also a hand in granting leave to the workmen under his charge and in allotting duties and overtime work to them. Duties of managerial nature as visualise by clause (iv) of Sec. 2(s) of the Act could be of lesser or larger nature. Where a foreman incharge of a Workshop exercises powers which involve appointments, granting of leaves, allotment of duties, drawing of stores, then it can be safely inferred that his duties and functions are of a managerial nature. The High Court of Madras in *Standard Vacuum Oil Company Vs. Commissioner of Labour and another* (1959-11-LJ p. 771) construing the expression "person employed in the position of management within the meaning of Sec. 4(1)(a) of the Madras Shops and Establishments Act" observed as follows :—

"I agree that in order to be in a position of management it is not necessary that the individual should be at the top of the hierarchy or that he should have absolute power in any respect; for except in a dictatorship there is always someone over everybody. It is not even necessary that the individual should be in the sole control or charge of a territory or branch of an organization or of a department of that organization. It would not be right to say that a person is not in a position of management unless he has jurisdiction over any definite territory; managerial position can be attained also inside a department."

I respectfully agree with the aforesaid observations. The oral evidence led by the management supported its case that Hussain Khan as Foreman incharge of the Workshop was exercising managerial rights. Hussain Khan and his witnesses stated that an Asstt. Engineer and not Hussain Khan was incharge of the Workshop. It may be that the Asstt. Engineer exercised supervisory control over Hussain Khan, but that by itself will not indicate that Hussain Khan was not himself exercising managerial functions in the Workshop of which he was a Foreman. I have, therefore, come to the conclusion that Hussain Khan was discharging duties of a managerial nature and therefore he was not a workman within the meaning of the Act. This finding alone is sufficient to dispose of the reference.

I may also refer to the settlement dated 23-1-1968. It is in Form H. It was conceded by the Union which was representing Hussain Khan's case that he was not a workman. Sri Malhotra argued that the Union had no authority to bind Hussain Khan and since Hussain Khan was not a party to the aforesaid settlement he could not be bound by it. Apparently, it was realised by the Union that Hussain Khan was not a workman and therefore his case was dropped and closed meaning thereby that the Union did not think it fit to pursue the case any further. The Central Government also took the same view when the question was first referred to it and declined to make any reference. Later it agreed to make the present reference to the Tribunal. The learned representatives of the management argued that there was no fresh material before the Central Government which could enable it to take a view different from the one that it had taken earlier. I am satisfied that Hussain Khan does not fall in the category of a "workman" as envisaged by the Industrial Disputes Act, 1947 and therefore no reference is maintainable before this Tribunal.

It appears that Hussain Khan was discharging his duties fairly efficiently before the trouble arose in February 1967 and but for his initial insistence that there should be an

enquiry it is likely that there would have been no dispute between him and the management. His age is now about 60 years. His son is working in the Colliery. It would have been in the fitness of things if the dispute between him and the management had been resolved amicably and even now the management can see that some satisfaction is given to Hussain Khan.

My award, therefore, is that the reference to this Tribunal is not maintainable and the Hussain Khan is not entitled to any relief. I make no order as to costs.

AWARD

This is a reference under Sec. 10(1)(d) of the Industrial Disputes Act. The question referred to me is:—

“Whether the action of the management of Pure Chirimiri Colliery, District Surguja (M.P.) in stopping from work Chandrabhan Tewari, Lamp Mazdoor, with effect from 31st July, 1970 is justified? If not, to what relief the workman is entitled?”

The workman contended that his services had been terminated by the management but the latter stated that the workman had absconded from service.

The parties have settled the dispute between them and the management treating Chandrabhan Tewari as a casual employee with a few months service has agreed to pay Rs. 350/- in full and final settlement of the workman's claim against the management. The workman has agreed that he will have no further claim or right against the management in connection with the dispute giving rise to the present reference before me. The parties have jointly requested the Tribunal to make an award in terms of the aforesaid settlement between the parties. The application incorporating the terms of the settlement between the parties is signed by the representative of the management and of the workman. The aforesaid settlement between the parties is fair and reasonable. I make my award in terms of the aforesaid settlement as set out in the application which shall form part of the award.
